

Fluency for Transcription Editor 7.6 Now Available

We are pleased to announce that our next release of Fluency for Transcription Editor (FFTE Editor) is now available. Realized in this single release are the enhancements initiated in FFTE Editor 7.5 along with the features introduced in FFTE Editor 7.6.

New Features

New with FFTE Editor 7.5:

The Document Checks feature is now more comprehensive and extends to all areas of the document, including the Demographics, ADT and CC List. This all-inclusive scan runs concurrently performing the familiar spelling, grammar and headings checks, while applying versatile customized rules. Results display in an easy to read layout allowing for the effective resolution of discrepancies culminating in a quality document.

New with FFTE Editor 7.6:

By popular demand, an upgrade to this version of FFTE Editor results in the patient's age conveniently displaying in the Job Summary. Pre-populated data feeds the auto-calculation and delivers the patient's age for ease of comparison thereby contributing to accuracy.

Mmodal Transcription Study Guide:

Medical Transcription (Speedy Study Guide) Speedy Publishing, 2014-12-07 Medical transcription is a quickly growing career field. College or training for this job is relatively short. At the end of training, a test is required of the individual in order to determine if they grasped the skills properly. A medical transcription guide can be a useful tool for these tests. A medical transcription guide will help students review the material they learned. The guide will show a brief overview of skills ranging from listening to recordings to recording them.

Study Guide for Kinn's The Administrative Medical Assistant - E-Book Alexandra Patricia Adams, 2010-10-18 Get more practice with medical assisting competencies and test your critical thinking skills. Designed to support Kinn's The Administrative Medical Assistant: An Applied Learning Approach, 7th Edition by Alexandra P. Young Adams, this study guide offers a complete review of content and a wide range of exercises to help you master CAAHEP and ABHES competencies. A variety of exercises test your knowledge and critical thinking skills, including vocabulary review, multiple choice, fill in the blank, and true/false questions. The most current content and competencies associated with CAAHEP and ABHES are included, such as emergency preparedness, patient education, and documentation. Procedure checklists allow you to tear out each sheet and provide to your instructor for evaluation. Exercises are cross-referenced to the Connections themes in your textbook. Additional exercises enhance the learning experience with skills and concepts, word puzzles, case studies, work applications, and Internet activities. English/Spanish terms help bilingual students master the content. Work products may be submitted to your instructor and to accrediting organizations as documentation that a competency has been completed. Expanded coverage of the Electronic Medical Record includes Practice Partner EMR activities for extra practice with this key competency. A companion Evolve website includes A/P exercises with medical animations.
