Unaccompanied Women Jane Juska,2007-12-18 Before I turn 67 I would like to have a lot of sex with a man I like This

inspired personal ad from Jane Juska drew tremendous response and swept the retired teacher into a whirlwind existence she barely recognized as her own She relayed her fun and frank exploits in the bestseller *A Round Heeled Woman* Now Juska continues her astonishing story in this much anticipated new adventure Five years after that fateful ad Juska has become a friend and confessor for women of all ages who confide in her their poignant tragic or blissful stories unaccompanied women who are alone for now but ever searching for intimacy And in spite of Juska s own success unaccompanied is a description that applies to her as well She s still looking for a man to keep her company not a husband not even a partner but simply the perfect lover once described by Katharine Hepburn as one who lives nearby and visits often *Unaccompanied Women* embraces not only Juska s continuing explorations of Eros note to fans her younger lover Graham is still on the scene but also a blossoming literary career that catapults her from San Francisco to New York London and Paris At book signings earnest men place themselves purposely at the end of the line in order to engage her in private conversations while women linger to confess their own erotic longings and their experiences with the good the bad and even the ugly All the while Juska is coping with the unnerving possibility of losing her home a tiny cottage in Berkeley California and so her search broadens and intensifies not just for love friendship and sex but also for enough money to keep a roof over her head Jane Juska shares all this richness of living in a poignant and humorous exploration of emotional terrain rarely discussed in our society This wise and warmhearted book provides vivid evidence that the pursuit of pleasure and lasting relationships is not just for the young but also for the young at heart

Fly-Fishing Christopher Schaberg, 2023-01-20 In *Fly Fishing* Christopher Schaberg ponders his lifetime pursuit of the widely mythologized art of fly fishing From the Michigan lakeshore where he learned to fish to casting flies in a New Orleans bayou Schaberg sketches landscapes and fish habitats and shows how fly fishing allows him to think about coexisting with other species It offers Schaberg a much needed source of humility social isolation connection with nature and a reminder of environmental degradation Rather than centering fishing on trophies conquest and travel he advocates for a small fishing that values catching the diminutive fish near one s home Introspective and personal *Fly Fishing* demonstrates how Schaberg s obsession indelibly shapes how he understands and lives in the wider world
