## **My Link In Time:**

*Dark Back of Time* Javier Marías, 2013-01-31 *Dark Back of Time* is a compelling story of the way in which reality blurs into fiction by Javier Marías whose highly anticipated new novel *The Infatuations* is published in 2013. It is translated by Esther Allen in Penguin Modern Classics. We lose everything because everything remains except us says the mysterious narrator of this extraordinary novel which meditates on the transience, chance and fragility of life. As a man called Javier Marías recalls the strange events and people that shaped his past including ghostly literary figures, a pilot, an adventurer, a brother who died as a child and the king of an island in the Caribbean, we begin to question the nature of time, memory and reality itself. Here the writer is both a keeper of memories and a purveyor of illusions destined to be lost in the dark back of time. Javier Marías was born in Madrid in 1951. He has published ten novels, two collections of short stories and several volumes of essays. His work has been translated into thirty-two languages and won a dazzling array of international literary awards including the prestigious Dublin IMPAC award for *A Heart So White*. He is also a highly practised translator into Spanish of English authors including Joseph Conrad, Robert Louis Stevenson, Sir Thomas Browne and Laurence Sterne. I was enthralled by his strange mix of made-up memories, lost experiences and real-life fantasies. Marina Warner, *Guardian*. He uses language like an anatomist; uses a scalpel to lay bare the innermost secrets of that strangest of species, the human being. W.G. Sebald, author of *Austerlitz*.

*Build Your Author Platform* Carole Jelen, Michael McCallister, 2014-05-13 A great book is no longer enough. **Time and time again...** Andrew Gilbert, 2024-04-09 *Time and time again* I have travelled down this path. It is a book about past-life recalls. I ask to be shown about a past life before I go to sleep and if it is appropriate I am shown one. It's an interesting experience. Sometimes I am shown a world I have no foreknowledge of and at other times I am shown a world where I seem to have deep memory of. The Court of King Henry VI of England is a time of vivid recall. The memory surrounding the Dauphin of

France is one I recoil from as I did not have fond memories of the time and place Usually I am reminded of a lesson I had to learn and on occasions I have to repeat the lesson if I have not learned the lesson although that is only my recall I consider myself fortunate to have learned these lessons It s something not everyone is shown
