- 1) "Producers of all a particular good contribute to the public good. How many of the producers contribute the public good? Should contribution be made compulsory or not?"
- 2) "Under capitalism, either public provision of education or free supply of education is necessary. How many producers will educate their children? Should provision of education be compulsory? What might be the likely consequences of making it compulsory for all producers to educate their people?"
- 3) "Should producers of a public good be taxed?" (or) "Should the producers of a public good be rewarded?"
- 4) "If the public good is to be a different thing, how would that change the story?"
- 5) "What are the private and the social consequences of the fact that the public good is not supplied, particularly in education?"
- 6) "What would an optimally supplied public good be? Can private provision supply a socially optimal level?"
- 7) "What consequences of the free-rider problem have been observed in education? How can they be avoided? Should the free-rider problem be solved? What are the consequences of not solving it? What would be the consequences of solving it?"
- 8) "Can the free-rider problem be solved? What are the consequences of not solving it? What would be the consequences of solving it?"
