**The Courage to Imagine** Roni Natov, 2017-11-30 The act of imagining lies at the very heart of children's engagements with literature and with the plots and characters they encounter in their favorite stories. *The Courage to Imagine* is a landmark new study of that fundamental act of imagining. Roni Natov focuses on the ways in which children's imaginative engagement with the child hero figure can open them up to other people's experiences, developing empathy across lines of race, gender, and sexuality, as well as helping them to confront and handle traumatic experience safely. Drawing on a wide range of theoretical approaches from the psychological to the cultural and reading a multicultural spectrum of authors including works by Maya Angelou, Louise Erdrich, Neil Gaiman, and Brian Selznick, this is a groundbreaking examination of the nature of imagining for children and reimagining for the adult writer and illustrator.

*Love and Courage* Robert Francis, 2016-07-07 While I was doing my writing for this book, suddenly it came to me, realizing why love has the power to withstand any circumstances and become victorious. If you think about it for real, there are icons in every form of status or with whom of great faculties on this planet earth cannot touch love. Or even to say mess it up, soil it up, or to have love corrupt. Or even to change the character of what love represents. Love stands alone in the uniqueness of its power and purity. But always there for anyone to feel its energy. Or I should say his energy in any given situation. God is love. Keep in mind, and the passion of love has no puff up, pride of his character. Love inspired forgiveness to set us free. Uniquely, this is what this book is talking about: love, forgiveness, courage, and loyalty towards the journey of life. With all the circumstances in life, love takes you on his shoulders and carves you out like a shining star. There are no situations that are too hard for courage, forgiveness, and loyalty. And it's all coming from the power of love. This book, through the spirit of the Almighty God, will reset your perspectives through life journey. I can say this for sure that many of us is taking on too much responsibilities without inviting God Almighty on their sides. They didn't consult with the

Most Holy and Wise One and we end up pay the price of regrets Proverbs 10 1 said a wise son makes a glad Father but a foolish son is a grief to his Mother Love is an inspiration to the human heart Never the less we only can follow the foot prints of love to have love hes the door keeper and comforter Love have the voice to be heard over the highest mountain and down in the deepest valley Love can melt the heart of stone and brings back positive when the darkness of negative covers the soul We all needs the character of love the glory of love and the power of love to our guide and friend When the heart of men recognize love there is a spiritual light shines on us where we are free to see more of his glory and power The presence of God the creator is the presence of love who is the reviver of our soul when we are spiritual dead love give us back life
