Fundamentals of Corporate Finance 1st Edition with Student Study Guide Set

Robert Parrino,2008-12-24

Efficiency of Investment Projects Peter Brusov,Tatiana Filatova,2025-09-30 Existing

investment models fail to correctly assess the efficiency of investments This happens due to both the lack of self consistent models based on first principles and the inability to correctly assess the discount rate This book describes innovative investment models tested in practice The authors modify these models for real implementation conditions including frequent payments of income tax and interest on debt at the end of periods and as advance payments and variable payments The book examines how these types of payments influence the efficiency of investment projects It considers the efficiency of an investment project from two perspectives the owners of equity and debt and only the equity The latest versions of two main theories of capital structure Brusov Filatova Orekhova BFO and Modigliani Miller MM allow for the correct assessment of the discount rate when evaluating the efficiency of investment projects both long term and of arbitrary duration The book also describes the practical application of the created investment models and develops a new methodology for rating investment projects

Corporate Finance

Pasquale De Luca,2022-12-15 This book on corporate finance systemically integrates firms

approach toward the market the value fundamentals of investors and the pricing dynamics of financial markets The reader is first introduced to an illustration and analysis of some of the main models used in corporate finance and in asset pricing The text moves to define the core analysis and valuation techniques to demonstrate how integrating the fields of corporate finance and asset pricing allows us to make comprehensive and precise valuations over time The textbook combines rigorous quantitative analysis with effective use of graphics to aid intuitive understanding as well as didactic elements to help grasp the theoretical framework Suitable for advanced undergraduate and graduate students as well as financial analysts and advisors investors and bankers the book also provides an overview of Mergers and Acquisitions M A IPO and Private Equity to help illustrate the theoretical concepts in practice

Corporate Finance: Theory and Practice in Emerging Economies

Sunil Mahajan,2020-12-03 The book introduces corporate finance to first year students in business schools Basic subjects such as marketing human resources and finance are all fundamental to the learning of a business manager A book on these subjects must emphasise learning that is conceptual in nature and at the same time application oriented This book attempts to achieve this in a manner that is

comprehensive and shorn of complexity It examines the practice of finance without diluting theory and conceptual knowledge Corporate finance is necessarily quantitative in nature and the book duly places emphasis on that aspect It ensures the primacy of ideas and concepts utilising numbers as supportive elements American Book Publishing Record ,2006 **The British National Bibliography** Arthur James Wells,2009
