

Letter Formation Guide

This year we will be using the Fundations Program to teach handwriting. This Letter Formation Guide will enable you to help your child form the letters correctly. It is important to use this guide while helping your child with homework. If we all use the same language when forming letters, your child will be more successful. I would also like you to encourage your child to use finger spaces, so that the letters are not crowded each line. Please use the picture below as a model for proper pencil grip.
