LANGUAGE AND EDUCATION POLICIES IN THE PHILIPPINES David Michael M. San Juan ,2023-01-01 This book is aimed at critiquing existing language and education policies through the lens of language advocates and typically politically sidelined education stakeholders and at the same time providing feasible policy recommendations to steer policies closer to grassroots aspirations of a multilingual country where our collective sense of nationhood and nationalism empowers us to reshape our education system for national development rather than the tired catchphrase of global competitiveness Such critiques and alternative perspectives are informed by available studies recent data and updated statistics This book is thus a handy introduction to 21st century language and education policies in the Philippines for both education stakeholders advocates administrators professionals and students *Philippine Prisons Review* ,1929
