Historic Design Guidelines:

City of San Antonio Historic Design Guidelines San Antonio (Tex.). Office of Historic Preservation, 2012 **Glen Ridge Historic Design Guidelines** Steven Smolyn, 2021-09-29 The HPC created Design Guidelines for the Glen Ridge Historic District to codify the long standing design principles utilized in the review and approval of renovations repairs and expansion of properties in Glen Ridge Funded by a grant from the New Jersey Historic Preservation Office and the National Park Service these guidelines provide an easy to use reference document for residents architects and contractors to plan projects and facilitate the HPCs design review process The Design Guidelines are intended to further the appreciation of the architecture setting and history of Glen Ridge to help ensure consistency in local decision making and to benefit property owners by clarifying community expectations These Design Guidelines offer information on the rehabilitation of existing buildings including new additions and new construction to offer a common body of knowledge for all participants in the review process including Commission members The HPC recognized that applying design guidelines is often challenging especially in Glen Ridge where there is so much variety in the architecture These Design Guidelines are intended to codify the objective basis for the HPC s decisions and help increase public awareness of historically appropriate design However the Design Guidelines do not offer all of the answers or solutions to a homeowner or design team as good architectural design cannot be achieved only by applying a set of rules The challenge for both the homeowner and the HPC member is knowing how to apply the Design Guidelines to make sound judgments that will help preserve the architectural character of Glen Ridge while also allowing expressions of change and adaptation **Tewksbury Historic Design Guidelines** Tew Historic Preservation Commission, Steven Smolyn, 2025-09-03 A clear illustrated guide to preserving the character of Oldwick Mountainville and Pottersville three nationally recognized historic villages in New Jersey This book blends local history with practical design standards helping property owners architects and builders make sensitive changes that honor each district s unique architecture Based on the township s Historic Preservation Ordinance and the Secretary of the Interior s Standards it offers guidance for repairs additions and new construction ensuring projects protect both property values and historic integrity **Historic Design Guidelines** Baltimore County Landmarks Preservation Commission, 1991 **Design & Historic Preservation** David L.
