Has Hollywood Lost Its Mind? Chris Hicks,2013-05-01 The wire thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all As a movie reviewer for more than thirty years and as a watchful caretaker parent author Chris Hicks learned pretty quickly that Hollywood movers and shakers like to push the envelope as they put it and it doesn t seem to matter whether it s a children s film or an adult movie It s not just R rated movies that are troubling PG 13s and even PGs can also be problematic And sometimes worse than problematic Simply put relying on the Motion Picture Association of America to make choices for you or your children is a mistake Breaking down the history of the film rating system and exploring today s ratings confusion and quagmire Hicks provides valuable information to help parents know how to interpret and what to expect from today s movies
