#### **About Art Spiegelman & *Maus***

Spiegelman was born in Sweden, where his parents initially settled following the end of the war and liberation from a German concentration camp. When Art was three years old, the Spiegelmans moved to the United States and settled in the Rego Park neighborhood of Queens where the present-day narrative of *Maus* is set. Having worked in the comic industry since the 1960's, he began publishing *Maus* in serial form (one section at a time) in a magazine he founded in the 1980's. The first volume of *Maus* was published as a book in 1986 with a second volume following in 1992, earning Spiegelman the Pulitzer Prize.

#### **Character List**

- *Art Spiegelman*- The narrator and author of *Maus*. Though Art lives relatively near-by his father, he has a strained relationship and doesn't see him often. Art is at once admires his father's survival of the Holocaust, while also being constantly irked by a number of his father's "miserly" habits and personal traits.
- *Vladek Spiegelman*- Art's father; Vladek spends most of the book recounting his experience as a young man leading up to, and during the Holocaust in Poland. Over the course of the 1920's and 1930's Vladek goes from a successful businessman with a promising family and future, to a man on the run with only his wife and the few valuables in his pockets. By the end of the first book of *Maus* Vladek and his wife have been captured trying to flee Poland and are shipped to a concentration camp.
- *Anja Spiegelman*- Anja is Art's mother who died prior to the opening of the story, having committed suicide. She features largely in Vladek's account of the war, though the reader never hears of this experience from her point of view. Though there is mention of a written account she created after the war, we later find out it has been thrown out by Vladek after her suicide. A brief comic focused on her suicide titled "Prisoner of the Hell Planet" is featured in chapter five.
- *Mala Spiegelman*- Vladek's second wife, married after the death of Anja. Mala's relationship with Vladek is in turmoil. The two of them are often at loggerheads and consistently put Art in the middle of their disputes, much to his dismay. She is frustrated by Vladek's unwillingness to part with money or allow her any degree of financial independence. Vladek meanwhile sees her as solely concerned with money, constantly badgering him to change his will so that she may be the sole inheritor.
