

## Bennett Mechanical Comprehension Test® II

Look at the sample on this screen. It shows two men carrying a weighted object on a plank, and it asks, "Which man carries more weight?" Because the object is closer to man "B" than to man "A," man "B" is shouldering more weight; so you would select "B."

Which man carries more weight? (If equal, mark C.)

[Review](#)

☐ A ☐ B ☐ C
