The Secrets of Spring

In our tech-based world, people forget how much the seasons impact our sense of well-being. People may wonder why they are depressed in the winter and why summer brings happiness. Fall excites us with the coming holidays, and spring often brings the shedding of heavy clothes and a feeling of renewal. As humans and animals, we are uniquely capable of both embracing and rejecting the changing seasons. Modern poetry seeks to question and explore people's relationship with the natural world, moving beyond the cliché. For example, winter is not always a time of death and depression, and spring is not just a time for blossoms. The flowering season is presented as a false promise in the poem "Spring" by Edna St. Vincent Millay, as an empty instrument of change in "Spring is Like a Perhaps Hand" by E. E. Cummings, and as a dishonest mother in "There Will Come Soft Rains" by Sara Teasdale.

In Millay's poem "Spring," the renewal of life that comes in spring is a false promise that only hides the cruelty of life. The poet describes how beneath the fields of grass and wildflowers, "are the bones of men / eaten by maggots" (Millay 11-12). Because she feels that life is meaningless, Millay rejects the season that is supposed to represent hope. She argues that "Life itself / is nothing" (Millay 13-14). Irritated, Millay erupts into insults at the end of the poem, and she writes, "April comes like an idiot, babbling and strewing flowers" (28). The description makes April sound like a drunk, playful baby that has no deep thoughts. Millay is

Multiculturalism in Higher Education C. Spencer Platt, Adriel A. Hilton, Christopher Newman, Brandi Hinnant-Crawford, 2020-03-01 As the educational landscape of America continues to evolve and diversify college faculty and administrators must be cutting edge in their approaches to create a variety of educational experiences with a greater level of multicultural cognizance Unlike in previous generations higher education in the 21st Century is no longer a luxury reserved for the elite and wealthy but is an increasing necessity for access to labor markets Community colleges and universities are working hard to respond to the demands of the labor market by attempting to provide skills for jobs that may not yet exist Colleges and universities should aim to make all of their students feel welcome and a part of the campus being committed to celebrating differences Additionally filling faculty seats with varied races cultures perspectives and identities will aid in providing mentors and role models everyone can relate to These are some of the vital steps toward building a campus community that helps students develop a sense of belonging that allows them to persist and thrive in college The scholarship in this volume illustrates the state of multicultural education on college and university campuses The authors bridge foundational knowledge with contemporary understandings making the work both accessible for novices and beneficial for the authorities on multicultural education This volume provides thoughtful discourse on issues ranging from the racial and ethnic diversity of the student and faculty bodies and important topics like disability issues to different educational contexts such as community colleges HBCUs and HSI institutions
