*Modern Auditing and Assurance Services, Google eBook* Philomena Leung, Paul Coram, Barry J. Cooper, 2012-02-02

Modern Auditing and Assurance Services 5th edition has been thoroughly updated in accordance with the Clarity Auditing Standards and presents a current and thorough coverage of audit and assurance services. The increased focus on contemporary audit practice including professional ethics and ethical competence governance and professional independence and changes in legal liability for the audit profession will equip students with the necessary knowledge and skills required by the profession.

Modern Auditing & Assurance Services Leung, Robyn Cameron, 2011. This study guide is designed to complement and reinforce students' understanding of auditing and its principles. The chapter sequence follows Modern Auditing Assurance Services 5th edition by Leung, Coram, Cooper and Richardson. For each chapter, the study guide contains chapter highlights, true/false questions, multiple choice questions, review questions. A section on effective studying tips in auditing is included. This section provides useful tips on how to take notes and study for exams. The benefits of using the study guide are that it provides additional material and guidance for working through auditing procedures and processes, tests students' knowledge of the auditing function and principles, is ideal for independent study and examination preparation, and provides suggested solutions at the end of each chapter.

Modern Auditing and Assurance Services Philomena Leung, 2009. Modern Auditing and Assurance Services 4th edition reflects the latest developments in the profession, detailing the audit procedures under the 35 legally enforceable ASAs. This edition has been thoroughly updated to present a current coverage of audit and assurance services. The increased focus on contemporary audit practice including professional ethics and ethical competence governance and professional independence and changes in legal liability for the audit profession will equip students with the necessary knowledge and skills required by the profession.

**NEW TO THIS EDITION**

Chapter 5: The auditors' report provides an early discussion on the objective of the audit process.

Chapter 7: Audit risk assessments focus attention on the business risk and audit risk assessment processes which inform audit strategy.

Chapter 17: Non-audit and other services emphasises specific non-audit assurance services provided by accounting professionals.

Chapter 18: Internal audit includes the latest developments in internal audit and reflects the importance of this area in corporate governance. Inclusion and explanation of the requirements under the new legally enforceable Australian Auditing Standards (ASAs). These standards are closely aligned with international auditing standards and these standards are also included in the text for courses that offer an international perspective.

The new Code of Ethics for Professional Accountants released by the Accounting Professional and Ethical Standards Board (APESB) is thoroughly discussed and integrated with auditors' legal requirements.

Incorporates discussion of the business risk approach to auditing as reflected in the revised standards on audit risk, as well as significantly expanded consideration of the importance and requirements on auditors to consider fraud in planning the audit.

Considers the increased role of ASIC via the ASIC audit inspection program to ensure quality of the audit process.

Professional Environment vignettes revised and updated throughout the text These chapter vignettes present relevant topical audit issues and or events that contextualise the audit processes presented in the chapter to the business world Succinct summary of audit procedures at the beginning of each transaction cycle to highlight the most importance procedures and key risks in each cycle FEATURES Professional Environment vignettes apply audit events and processes to real business experiences ideal for developing an appreciation of the professional environment both locally and globally Learning Checks positioned at the end of major sections in the chapter provide a succinct listing of the key audit issues and processes that the student must know before they proceed further End of chapter exercises and problems have been revised The majority of the Review Questions and Professional Application Questions are new and drawn from Australian and international professional bodies Multiple Choice questions at the end of each chapter with answers ABOUT THE AUTHORSPhilomena Leung PhD M Acc F C P A F C C A M I I A A C I S is Professor and Head of the School of Account     Modern Auditing and Assurance Services Philomena Leung,Paul Coram,Barry J.
