How I Learned To Relate To My Laboratory Rat Through Humanistic Behaviorism Richard W. Malott,1974-01-01 We have had an operant conditioning rat lab associated with either our Experimental or Introductory Psychology course at Western Michigan University since 1964 Many students report that the rat lab is very exciting and that they find it the best feature of our course It has been our impression however that this lab has an even more important effect The experience of directly modifying the behavior of another organism is a primary factor in demonstrating to students the power and validity of the basic principles of behavior *Confessions of a Catholic Schoolboy* Joe Farrell,2009-12-03 A smorgasbord of entertainment and lessons awaits readers as author Joe Farrell releases through Xlibris a unique memoir Confessions of a Catholic Schoolboy Jesus Runs Away and Other Stories chronicles his journey as a student who enjoys a carefree life amid schools of rigid discipline and stern religious training In the early sixties being in a Catholic school means being compelled to always abide by the rules pray earnestly when told to do so study the lessons to answer questions correctly a yes or no answer should always be followed by Sister and never ever do anything that would upset or make the teachers mad Through vivid narration Confessions of a Catholic Schoolboy unveils the funny side that lurks behind the austere facade of Catholic Schools It follows the author as he finds himself caught up in different mischief during grade school and to even more grave

misbehaviors including a police arrest during high school and college A baby boomer Farrell s life is one that is carved by the tumult of the fifties and sixties and the social and personal dramas that come along with it His is an interesting wave of colors brightened by adventure discipline lessons learned friendship and love Providing a good glimpse into the life of pure Catholic training Confessions of a Catholic Schoolboy Jesus Runs Away and Other Stories is a witty revelation of a schoolboy s shenanigans and the ultimate inspiration one can get from them This memoir of growing up in the 60 s is full of Farrell s wit humor and irreverence yet it s a touching and poignant story A fun and enjoyable read

words in the morning from Heidelberg my wife of 54 years although for many years I had made the comment I am not your father But in the frame of my life's experiences throughout in the 20th century as I intend to summarize them over the next few years the 17th of June has much deeper significance This was the day in 1953 when we finally fled from our life of oppression which had lasted 20 years Two successive dictatorships one of Hitler and the other of Stalin caused the most horrific slaughter of civilians and soldiers eclipsing all prior history During these first years of my life I was plainly lucky to survive After this day I had a much better chance to experience the freedom needed to lead a life of creativity satisfaction and ultimately prosperity all directed largely by our own decisions

The 17th of June 1953 was a Wednesday I stayed in the apartment of my parents in my hometown of Brandenburg in the German Democratic Republic GDR the former Russian occupied zone of Germany The summer vacation of the Humboldt University in East Berlin some 40 mi further east had just started But I was alone with my father Vati
