the potential for moments of spiritual illumination and transformation to occur in the lives of God's people. In the midst of corporate worship through the artistic media of story, imagery and expression, people's eyes can be opened to the beautiful, paradoxical truth of the gospel. It is crafted and facilitated by human leadership informed by biblical inquiry and theological conclusions and fleshed out in the context of a local culture and community. This book explores all of these various facets of worship to help worship leaders, worship planners, pastors and laypeople experience and plan gospel-centered worship that is contextual and creative for the glory of God and the edification of his people. *The Oxford Guide to The Book of Common Prayer* Charles Hefling, Cynthia
