These findings, as discussed above, are very significant, particularly since the results are not statistically or otherwise strongly suggestive of any relationship to the variables of the study. However, the study authors have suggested that the findings may be influenced by the fact that the study was conducted in a very small sample of the population, and that the results may be influenced by the fact that the study was conducted in a very small sample of the population.

It is essential that intergovernmental and other mechanisms exist to clearly protect and enforce the law. Furthermore, significant engagement, particularly via the local level, is essential to ensure that the future national security strategy is not only a good idea, but also a good idea that is well understood and supported by the public.
