## Student Exploration: Inheritance

**Vocabulary:** acquired trait, asexual reproduction, clone, codominant traits, dominant trait, offspring, recessive trait, sexual reproduction, trait

**Prior Knowledge Questions** (Do these BEFORE using the Gizmo.)

1. How are you similar to your parents?

Eye color and height.

How are you different?

My hair and my skin.

2. A **trait** is a characteristic. Think about your physical traits (eye color, skin tone, height, hair, face, allergies, etc.) What traits do you think you inherited, or received, from your parents?

I think I received eye color, freckles, height, pollen allergies, and double joints.

### Gizmo Warm-up

In the *Inheritance* Gizmo™ you can create and breed aliens on an imaginary planet. Select **Asexual reproduction**. During **asexual reproduction**, a single parent produces **offspring** (children).

1. Click **Create alien** and create your own alien. Describe its traits in the **Parent** row of the table:

Alien	Body type	Skin Color	Antenna shape	Tattoo
Parent	Thick	Blue	Curly	none
Offspring	Thin	Blue	Curly	none

2. Drag the parent over to the **Parent 1** space and press **Reproduce**. Fill in the **Offspring** traits on the table above. What traits appear to be inherited from the parent? Blue

color, curly antenna, and no tattoo.

Because this offspring inherits its traits from one parent, it is called a **clone**.
