Merchandising Business Accounting Cycle

The Fashion Rack

The Fashion Rack is a retail merchandising business that sells brand-name clothing at discount prices. The firm is owned and managed by Teresa Lojay, who started the business on April 1, 2013. This project will give you an opportunity to put your knowledge of accounting into practice as you handle the accounting work of The Fashion Rack during the month of October 2013.

INTRODUCTION

The Fashion Rack has a monthly accounting period. The firm's chart of accounts is shown below and on the next page. The journals used to record transactions are the sales journal, purchases journal, cash receipts journal, cash payments journal, and general journal. Postings are made from the journals to the accounts receivable ledger, accounts payable ledger, and general ledger. The employees are paid at the end of the month. A computerized payroll service prepares all payroll records and checks.

INSTRUCTIONS

1. Open the general ledger accounts and enter the balances for October 1, 2013. Obtain the necessary figures from the postclosing trial balance prepared on September 30, 2013, which is shown on [page 484](#). (If you are using the *Study Guide & Working Papers*, you will find that the general ledger accounts are already open.)
2. Open the subsidiary ledger accounts and enter the balances for October 1, 2013. Obtain the necessary figures from the schedule of accounts payable and schedule of accounts receivable prepared on September 30, 2013, which appear on [page 485](#). (If you are using the *Study Guide & Working Papers*, you will find that the subsidiary ledger accounts are already open.)
