## Glengarry Guide Tourist:

*A Tourist's Guide to Glengarry* Ian McGillis, 2002 Nine year old Neil McDonald has always wanted to write a book Every time he tries though it comes out like the Hardy Boys or something But when a maverick substitute teacher challenges him to record all the events and thoughts of a single day the doors of creativity swing open It helps that the day in question is in Neil s words pretty weird The time is the fall of 1971 the setting is lsquo North America s northernmost Metropolis The cast includes Neil his best friend Keith and his gnome like baba a budding Black Power advocate the heavy smoking son of anti war activists and a very small boy wielding a very large axe in a public park Neil thinks his day will climax with the broadcast of the first night game in World Series history but what he s in for is something much deeper a surprise that will teach him much about the world and his place in it In the end Neil has his book And it s nothing at all like the Hardy Boys
