Agency, Resilience, and Identity in the Neoliberal Age Gang Zhu, 2022-12-19 Understanding the Dynamics of Teacher
Agency Resilience and Identity in the Neoliberal Age focuses on the complexity of teachers agency resilience and identity
across various contexts Neoliberal educational policy technologies have been constantly re shaping educational
professionalism subjectivity teaching and evaluation Within this climate teacher agency resilience and identity are vital
factors for maintaining teachers well functioning and well being Moreover teacher agency resilience and identity do not exist
independently but reinforce each other constitutively which enable teachers to see beyond challenge and fluctuating
confidence and withstand pressure The educational contexts in this book encompass rural immigrant preservice education
special education internationalized school contexts etc Theoretically this book disentangles the conceptual understandings
and methodological considerations of teacher agency resilience and identity Practically the contributors from various
countries and regions explore how various contexts influence teacher agency resilience and identity in the neoliberal age
