

## Review Test

1. B Reputation is the way people think of someone or something. ("Everyone trusts Mr. Jones. He has a good reputation.") *Reputation* is the only word that makes sense in this context. *Reparation* is a payment made by someone for doing something wrong. ("The judge made the thief pay reparations to his victims.")
2. C Recently means "not long ago." Lately has about the same meaning but can't be used to modify a verb such as *expanded*. We can say, "Lately, we have had several problems," and "Recently, we have had several problems." However, you can only say, "Things have recently changed." You cannot say, "Things have lately changed." Shortly means "in a short time." ("He will arrive shortly.") Nearly means "almost." ("She was nearly late.")
3. A Furthermore is used to express the idea of addition. The previous sentence says that ReefCo has a superior and dependable fleet. This sentence adds the idea that ReefCo has good customer service.
4. D Something and everything are used only for inanimate things. Anyone and someone can be used for people or, sometimes, organizations. Anyone should be used here because this sentence has a negative verb (*don't trust*). Compound words with *any-* are used in negative sentences and questions while compound words with *some-* are used in affirmative statements. This sentence really means "Don't trust your good name to a company that you don't know about."
5. B Of these four verbs, only *requested* is used before an inanimate object without a preposition. In other words, you can say "request a password" but you must say "ask for a passport" or "inquire about a passport." The verb *questioned* is used only with a person as an object. ("The police questioned the suspect.")
6. D The verb *retrieve* means "get back" and is the only logical choice here.
7. A Of the four choices, only the adverb-clause marker *once*, meaning "after," is possible here. Choice D, *afterwards*, is used at the end of a sentence or clause. ("We went swimming. We were hungry afterwards.")

8. B The noun clause *that \_\_\_\_\_ is an automatically generated email* needs a subject. Only choice B, *this*, is a logical subject. *This* means "this email."
9. D The noun *advice* is correct here. Choice B, *advise*, is a verb.
10. A The noun-clause marker *what* is correct here.
11. C The verb *makes*, meaning "cause," takes the simple form of the verb, *stand*.
12. B A reflexive pronoun (a pronoun that ends in *-self* or *-selves*) is used when the person who does the action is the same as the person who receives the action. In this case, you sell yourself, so the reflexive pronoun is correct here. The singular form *yourself* is correct rather than the plural *yourselves* because in this kind of article, the writer is addressing one reader. For example, the writer of a cookbook might write, "You must be careful not to burn yourself," not "You must be careful not to burn yourselves."
