1. Factors of Production

A defining characteristic of this era is the Industrial Revolution. AP® students are required to know the factors of production required to bring about industrialization.

multiple

questions about the factors of production and you would need to know these for an essay about industrialization. Discussion of these factors would give you analysis for why industrialization happened in some places (presence of these factors) and not others (lack of these factors).

Example: Compare industrialization in Western Europe with that of ONE of the following nations: Russia, Japan, Egypt.

The factors of production would be a great starting point for direction comparisons for this essay. You could discuss how Western Europe had all the factors of production necessary, while industrialization was delayed in Russia, Japan, and Egypt for
