God Jean Paul Corriveau, 2021-07-31 Drawing on fundamental notions from quantum physics this book uses logic and careful reasoning to prove that God exists but not in the

way most think Jean Paul Corriveau who earned degrees in mathematics and computer science explains how long held beliefs about God are all wrong After reading you ll know God is neither the source of intelligence nor consciousness and not the least involved in life and its evolution Nature has no design and intelligence is a product of evolution God is nowhere in the universe but He is its energy source There is no heaven hell or afterlife The author argues that the evolution of nature and life from the Big Bang onward is from randomness and luck There was never an intent God is the only nonphysical entity so prayers don t reach Him The relationships between God humans the universe and Earth aren t what the Bible tells us or what people think Join the author as he explores how we know God exists and what that really means The Concept of God Ronald H. Nash,1983 This book brings together for the general reader the intense and wide ranging discussions now taking place among philosophers on the attributes of God Because of its clear explanations numerous examples brevity and breadth The Concept of God can be an important supplemental text to theology classes and philosophy or religion classes Lightning Print On Demand Title **Justification and the Kingdom of God, Volume One** Paul ChulHong Kang,2025-01-17 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God s image uncovering hidden treasures Now the challenge is whether you will accept these treasures The Kingdom of the Covenant emphasizes the eternal kingdom of the living God through the lens of God s righteousness This encourages readers to remember God s righteousness which runs through his covenants serves as the legal standard of governance the standard of salvation and the standard of a good life Just as God s righteousness is the foundation of his word for his kingdom God s word is the standard for wisdom knowledge judgment and actions Through his word God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom Now lives of faith on this earth carry eternal consequences This book asks What would you do with this gift God s word Where Was God?
