Crisis Intervention in Criminal Justice/social Service James Earnest Hendricks, Bryan Byers, 2006 The purpose of this book is to provide theoretical analytical and practical knowledge for first responders Face to face interaction with the client victim is part of the comprehensive approach advocated by this book which requires interveners to assess the nature of a crisis and the condition of the victim in order to determine the appropriate course of action Effective communication skills along with adequate training and preparation for intervention are the keys to quality interaction between the intervener and the client victim Each chapter in this book offers a substantially updated theoretical overview of a particular facet of intervention as well as models and methods for applying crisis theory to crisis situations faced by interveners The comprehensive balance of theory and practice presented should enable the intervener in coupling the general knowledge of human psychology and emotional crisis with the specific and novel characteristics of various crisis situations This new third edition retains important information in a revised format while adding important and timely cognition Written for pre service and in service criminal justice and social service crisis interveners it will also be of interest to emergency medical personnel clergy probation parole officers victim advocates

psychological personnel and professionals from other criminal justice and social service areas *ONCCOLOGY & ONKKOLOGIE* Augustin Ostace, 2018-10-29 A hard dialectical conversation between a Clinician in Practical Oncology and a Theoretician of the Philosophical Onccologicum It is Pragmatism versus Idealism or the battlefield between the Physician of the Hippocratic Oath and the Metaphysician of the Platonic Eidos Why this title or belittled through the apparently same term in Oncology but written into a dissimilarity form Onccology Onkkologie Is it a confrontation between English terminology and the German one Or a synthesis between the two like in Denglish Could be this terrible human tumor defeated through a counter tumor Tumor cell to be annihilated through an Anti tumor Cell A cancer cell defeated through an anti tumor Cell Could the classical concept to give birth to the anti concept Alternatively classical terminology to give birth to anti terminology to such questions our endeavor book is trying to give an answer at least in a theoretical form and expression Onccologist Onkkologist **Linear Algebra: Core Topics For The Second Course** Dragu Atanasiu, Piotr

Mikusinski, 2023-01-04 This is a book for the second course in linear algebra whereby students are assumed to be familiar with calculations using real matrices To facilitate a smooth transition into rigorous proofs it combines abstract theory with matrix calculations This book presents numerous examples and proofs of particular cases of important results before the general versions are formulated and proved The knowledge gained from a particular case that encapsulates the main idea of a general theorem can be easily extended to prove another particular case or a general case For some theorems there are two or even three proofs provided In this way students stand to gain and study important results from different angles and at the same time see connections between different results presented in the book
