The Trials of Evidence-based Education Stephen Gorard, Beng Huat See, Nadia Siddiqui, 2017-06-26 The Trials of Evidence

based Education explores the promise limitations and opportunities of evidence based policy and practice as the attention of funders moves from a sole focus on attainment outcomes to political concern about character building and wider educational impacts The results and implications of over 20 studies conducted by the authors are combined with large number of studies from systematic reviews and their implications are spelled out for the research community policy makers schools wanting to run their own evaluations and practitioners using evidence in this well structured and thoughtful text **Diversities in Education**

David Mitchell,2016-10-04 **Diversities in Education** is a challenging text that will help educators teacher educators and trainee teachers to be more effective in teaching a range of diverse learners It covers five major categories of difference sex and gender social class and socio economic status race ethnicity and culture beliefs and religion and different abilities and asks the urgent questions all policy makers educators and students should consider Why should we value diversity and human rights How can inclusive education accommodate diversity How do society s aspirations for cohesion and harmony impact on people who are different What meanings are given to differences culturally and historically Should educators seek to accentuate eliminate reduce or ignore differences By drawing attention to the latest research into the most effective educational policies and practices this insightful book suggests strategies for meeting the challenges being posed in an era of superdiversity It s a crucial read for any training or practising educator who wants to address the issue of diversity learn effective ways to reach all learners and create more inclusive and harmonious societies *The Boy Crisis* Warren

Farrell,John Gray,2018-03-13 What is the boy crisis It s a crisis of education Worldwide boys are 50 percent less likely than girls to meet basic proficiency in reading math and science It s a crisis of mental health ADHD is on the rise And as boys become young men their suicide rates go from equal to girls to six times that of young women It s a crisis of fathering Boys are growing up with less involved fathers and are more likely to drop out of school drink do drugs become delinquent and end up in prison It s a crisis of purpose Boys old sense of purpose being a warrior a leader or a sole breadwinner are fading Many bright boys are experiencing a purpose void feeling alienated withdrawn and addicted to immediate gratification So what is *The Boy Crisis* A comprehensive blueprint for what parents teachers and policymakers can do to help our sons become happier healthier men and fathers and leaders worthy of our respect *The New Campus Anti-Rape Movement*

Caroline Heldman,Alissa R. Ackerman,Ian Breckenridge-Jackson,2018-05-29 After 40 years of activists working to reduce sexual violence on college campuses in 2014 the new Campus Anti Rape Movement CARM finally put this issue on the national policy agenda President Barack Obama credited an inspiring wave of student led activism for catapulting campus rape into public consciousness This book positions the new CARM within a long history of anti sexual violence activism in the U S The authors describe the major events of this new movement and how it coalesced The authors also analyze the new CARM through a social movement lens and examine the role of new laws and social media in facilitating movement successes The book argues that the new CARM laid the groundwork for the emergence of MeToo the highest profile campaign against
