analysis and innovative solutions for automotive vehicles The congress is organized by SIAR Society of Automotive Engineers from Romania in cooperation with SAE International and Transilvania University of Brasov This third volume presents the papers on Advanced Transport Systems Accident Research and Analysis and some related to History of Automotive Technics and Technology

Montenegro Offroad-Guide Martina Holzmann, Günther Holzmann, 2023-05-01 Experience Montenegro off road authentic and up close 26 detailed main routes and 7 short detours always up to date thanks to the extensive data download There s no doubt about it Montenegro is one of the most beautiful countries in Europe Covering an area of just 13 812 square kilometres the smallest of the former Yugoslavian states is home to an enormous wealth of culture nature and hospitality And given the relatively good road infrastructure it is hard to believe that this tiny country still has room for places that can only be reached on tracks On the one hand this is a good thing at least these marvellous places are safe from the masses because Montenegro is booming On the other hand it is precisely these landscapes and corners that show the true face of the country where the real still incredibly unspoilt Montenegro can be found This will probably remain the case unlike in neighbouring Albania no great energy will be invested in the further development of the mountain regions Travelling through Montenegro on normal roads and paths you will be amazed by the diverse culture and the breathtaking landscape anyway and can hardly imagine that all this can be surpassed But it is Just where you can no longer imagine any progress where there is no longer any explorable space between the peaks that is precisely where sublime natural wonders emerge that leave us fascinated and speechless in awe of so much beauty But these landscapes are not just waiting to be discovered they also want to be preserved The warm and hospitable inhabitants of the mountains should continue to be proud of their most valuable asset Our top priority is therefore to explore the remote mountain regions in the most considerate way for nature and people so that they remain open to us for a long time to come In the second edition of the successful off road travel guide for Montenegro 4x4 adventurers and those who want to become one will once again find In depth insider knowledge thanks to the authors 14 years of experience in the Western Balkans 26 scenically outstanding and exciting routes through the fascinating mountain world of this small country plus 7 interesting short routes or detours all documented in detail including interesting facts about the region Each tour includes an overview map region altitude profile coordinates of the start and end points route length and 4x4 share in km altitude minimum and maximum as well as altitude differences time required degree of difficulty and vehicle category surface conditions character recommended season highlights along the route and in the vicinity coordinates of error points refuelling shopping overnight stays parking spaces yes no interesting facts about the region general route description Supplemented by an extensive data download with GPS data any changes along the route up to date campsite directory various PDF brochures enlargeable route maps extended user instructions and country information and much more The best prerequisites for an unforgettable trip to Montenegro The ideal supplement for on road experiences the Montenegro travel guide from the HOBO TEAM publishing house Montenegro
