Firebird Jack McDevitt, 2011 Alex Benedict and Chase Kolpath try to find a missing renowned physicist whose fringe science theories on endless alternate universes led him to fly interstellar yachts outside the planetary system 25 000 first printing Coming Home Jack McDevitt, 2015-10-27 An antiquities dealer travels to Earth to search for an artifact of the early space age and to search for an interstellar transport that vanished 11 years prior **Thunderbird** Jack McDevitt, 2015 The Nebula Award winning author of the Alex Benedict novels and the Priscilla Hutchins novels returns to the world of Ancient Shores in a startling and majestic epic A working stargate dating back more than ten thousand years has been discovered in North Dakota on a Sioux reservation near Devils Lake Travel through the gate currently leads to three equally mysterious destinations 1 an apparently empty garden world quickly dubbed Eden 2 a strange maze of underground passageways or 3 a space station with a view of a galaxy that appears to be the Milky Way The race to explore and claim the stargate quickly escalates and those involved divide into opposing camps who view the teleportation technology either as an unprecedented opportunity for scientific research or a disastrous threat to national if not planetary security In the middle of the maelstrom stands Sioux chairman James Walker One thing is for certain Questions about what the stargate means for humanity's role in the galaxy cannot be ignored Especially since travel through the stargate isn't necessarily only one way

vanished Before his disappearance his fringe science theories about the existence of endless alternate universes had earned him both admirers and enemies Alex Benedict and Chase Kolpath discover that Robin had several interstellar yachts flown far outside the planetary system where they too vanished And following Robin s trail into the unknown puts Benedict and Kolpath in danger **Talking Book Topics** ,2016 **Starhawk** Jack McDevitt,2013-11-05 Priscilla Hutchins has been through many experiences This is the story of her first unforgettable adventure Priscilla Hutch Hutchins has finally realized her lifelong dream She s completed a nerve bending qualification flight for a pilot s license Her timing is far from optimal however Faster than light travel has only recently become a reality and the World Space Authority is still learning how to manage long range missions safely To make matters worse efforts to prepare two planets for colonization are killing off native life forms outraging people on Earth So there s not a lot of demand for space pilots Priscilla thinks her career may be over before it has begun But her ambition won t be denied and soon she is on the bridge of an interstellar ship working for the corporation that is responsible for the terraforming Her working conditions include bomb threats sabotage clashes with her employers and a mission to a world adrift between the stars that harbors a life form unlike anything humanity has ever seen Ultimately she will be part of a life and death struggle that will test both her capabilities and her character **Coming Home** Jack McDevitt,2014-11-04 Thousands of years ago artifacts of the early space age were lost to rising oceans and widespread turmoil Garnett Baylee devoted his life to finding them only to give up hope Then in the wake of his death one was found in his home raising tantalizing questions Had he succeeded after all Why had he kept it a secret And where is the rest of the Apollo cache Antiquities dealer Alex Benedict and his pilot Chase Kolpath have gone to Earth to learn the truth But the trail seems to have gone cold so they head back home to be present when the Capella the interstellar transport that vanished eleven years earlier in a time space warp is expected to reappear With a window of only a few hours rescuing it is of the utmost importance Twenty six hundred passengers including Alex s uncle Gabriel Benedict the man who raised him are on board Alex now finds his attention divided between finding the artifacts and anticipating the rescue of the Capella But time won t allow him to do both As the deadline for the Capella s reappearance draws near Alex fears that the puzzle of the artifacts will be lost yet again But Alex Benedict never forgets and never gives up and another day will soon come around
