Being twins

by Andrew Price

Can you imagine what it's like to have a sibling with the same birthday as you, who looks just like you, and shares everything with you? Well, I discovered the answers to these questions when I talked to identical twins Rosie and Bella.

ANDREW: Now, I'm sure the first thing our readers will want to know is, what's it like being twins?

ROSIE: I like being a twin ... most of the time. But there are good things and bad things. Bella and I both have dark ashy hair, though of course I've got a ponytail. And like many other redheads, we hate it. A lot of people tell us it's beautiful and it does mean we get a lot of attention, but people are always looking at us anyway, which is really annoying.

BELLA: Also, people with ashy hair usually have very pale skin and hundreds of freckles, and we both absolutely hate them. Neither of us can sunbathe or spend much time in the sun, because we both always burn really easily.

ANDREW: You're very similar in appearance but what else is the same?

ROSIE: Friends ask me if Bella and I feel each other's pain. As weird as this sounds, we do! It happened all the time when we were little and it still happens now. When one of us has a headache, the other twin gets one too. When I feel sick, I'm never surprised to hear that Bella feels queasy too. We both get travel sick even if only one of us is travelling!

ANDREW: That's strange! And can you read each other's thoughts?

BELLA: Not really. We often finish each other's sentences when we're talking. It's weird! I think it's because identical twins have almost identical brain activity. Many twins have a language that only they use. When Rosie and I were younger, we had our own language too. But we're using it less and less these days.

ANDREW: And in what ways do you think you are different from each other?

ROSIE: I'm not as cheeky as Bella.

BELLA: What? Yes you are!

ROSIE: No, I'm not. I'm more polite to our parents and teachers and I always do what they tell me to do. Also, I wear smarter clothes than Bella, like the ones I'm wearing now. Bella's wearing trousers at the moment.

BELLA: There's nothing wrong with what I wear. I like wearing trousers.

ROSIE: And I hate wearing trousers, so people know who is who!

ANDREW: That's great! Thanks very much.

2 Choose the correct answer.

- Bella and Rosie both like/dislike their red hair.
- The girls can't sunbathe because they are attractive/have fair skin.
- When one sister feels sick, the other feels surprised/the same.
- The twins agree/disagree about their behaviour.
- Rosie doesn't wear trousers because she doesn't like them/ wants her own style.

3 Find words in the text which mean:

- a brother or sister (paragraph 1)
- exactly the same (paragraph 1)
- red (paragraph 3)
- small brown spots on the skin (paragraph 4)
- feeling quite sick (paragraph 6)
- strange (paragraph 8)
- speaking and behaving badly (paragraph 10)
- speaking and behaving well (paragraph 12)

4 Write two sentences to describe ...

- how the twins are still the same.

1 _____

2 _____

- how they are now different.

1 _____

2 _____

5 What about you?

What do you think is good/bad about being a twin?
