Pittsburgh in Your Pot Joanne Niehl, 2024-12-23 *Pittsburgh in Your Pot* is the second cookbook in my Pittsburgh journey of food and of the city I love. It is filled with over 180 recipes and stories that define the city, its people, and its culture. Pittsburgh is a city founded and formed by hardworking immigrant families. It is a city that is proud to say that all people were and are always welcome. As the city evolved over the past several hundred years, so did its cuisine. The ethnic food brought to Pittsburgh became a part of who we are. It defines our lives, celebrates our family times, and honors our traditions. As in my first book *Pittsburgh on Your Plate*, these recipes have been handed down from generation to generation and gathered over the years from my family, my husband's family, and many close friends. Most were written in worn notebooks and on recipe cards or scraps of paper stuck in cookbooks, all kept so dear. Many of the recipes were from my mom, my grandma Mary, who was a numbers running bookie and packed pickles in a pickle factory, and her sister, my great aunt Julie Zia Zia. *Pittsburgh in Your Pot* includes a very special section dedicated to our grandmas and their stories and recipes. It contains heartwarming life stories and offers some of the very best recipes handed down to us. *Pittsburgh in Your Pot* offers stories and essays about the history of Pittsburgh, as well as the ethnic lore, amusing anecdotes, and family stories that will warm your heart and bring a smile. A book that through its stories and recipes will allow you to embrace what it is to be a part of this wonderful, unique black and gold Yinzer city of Pittsburgh. *Pittsburgh in Your Pot* is waiting for you to enjoy the food world of our hometown. Yinz know, that city where the three rivers meet, dahntahn, and them Stillers play.

Cooking in Europe, 1650-1850 Ivan P. Day, 2008-11-30 From the Baroque Era to the Victorian Era, 1650-1850, unprecedented changes took place in the food ways and dining habits of European society. This daily life aspect of history comes alive for students and food enthusiasts as they read and try out these recipes, most translated into English for the first time. There are nearly 200 recipes organized overall by the mini periods of the Baroque and Rococo Era, the Reign of Louis XV to the French Revolution, and the reign of Napoleon to the Victorian Era. Author Ivan Day, a renowned food historian who specializes in meticulous recreation of these amazing dishes for museum exhibitions, makes them accessible with clear explanations of techniques and unusual ingredients. Recipes include examples from France, Italy, England, Austria, Germany, Holland, Portugal, Spain, and Scotland, from the simple Salad of Pomegranate from La Varenne's 1651 cookbook to the elaborate Boar's Head in Galantine from Careme's 1833 cookbook. This unique cookbook is a culinary treasure trove to complement all European History library collections. As Day shows in his narrative and recipes, the principal theme in the story of food during the two centuries is the rapid spread of French fine cooking throughout Europe and its gradual percolation down the social scale. However, despite the domination of French cuisine at

higher levels most nations managed to cling proudly to their own indigenous traditions A lively introduction explains the dramatic shift in culinary taste led by the exuberant creativity of French cooks Cookbooks started to emerge from the Paris printing presses after a hundred years of silence Numerous innovations completely transformed French cuisine and swept away all remnants of lingering medieval taste There were new efficient cooking techniques for the kitchens of powerful and wealthy For all there were new ingredients from New World and new cooking mediums such as the mechanical spit and roasting ranges that made cooking cleaner and less back breaking The recipes each with a short explanation are organized by type of dish Categories include salads and cold dishes soups meat poultry fish and seafood vegetables and fungi eggs and dairy sauces savory pastries starches pastas and legumes breads and cakes sweet pastries and puddings fruit nuts and flower preserves sweets and confections jellies and ices and drinks Occasional sidebars offer period menus of for example elaborate feasts A glossary and an appendix listing suppliers of equipment and ingredients are added features **The Girl's Own**
