Goals

Patient has short term goal of being able to hold short conversation with people for up to 2 minutes.
Patient's long term goal is to reduce social anxiety, able to talk to strangers, and form new social connections.

Intervention

Used ACT (acceptance and commitment therapy) to help the patient to conduct conversations under emotional distress and anxiety.
Used CBT to explore patient's underlying concerns that are truly hindering their ability to connect with people, other than just ACT.

Response

Patient responded well to ACT, and are motivated to initiate new conversation while noticing and accepting their emotional distress.
Patient didn't respond well to CBT, and is unwilling to proceed. During the progress, certain childhood trauma was touched on which made the patient emotionally unstable and terminated the progression of this method.

Plan

Continue using ACT to help patient building social confidence. Can use CBT further in future if more trust is built with patient.
Childhood trauma can be worth looking into to improve underlying behavior patterns of patient. However, this shouldn't be further explored until the patient feels more comfortable and emotionally resilient.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
