Law Jaap Hage,Antonia Waltermann,Bram Akkermans,2017-08-07 This book is exceptional in the sense that it provides an
introduction to law in general rather than the law of one specific jurisdiction and it presents a unique way of looking at legal
education It is crucial for lawyers to be aware of the different ways in which societal problems can be solved and to be able
to discuss the advantages and disadvantages of different legal solutions In this respect being a lawyer involves being able to
reason like a lawyer even more than having detailed knowledge of particular sets of rules Introduction to Law reflects this
view by focusing on the functions of rules and on ways of arguing the relative qualities of alternative legal solutions Where
positive law is discussed the emphasis is on the legal questions that must be addressed by a field of law and on the different
solutions which have been adopted by for instance the common law and civil law tradition The law of specific jurisdictions is

discussed to illustrate possible answers to questions such as when the existence of a valid contract is assumed *From God's Nature to God's Law* Abdul Rahman Mustafa, 2024-11-04 This study explores the ways in which theological ideas regarding the nature of God shaped the jurisprudential and legal landscape of Islam Focusing on the traditionalist theological and jurisprudential thought of Ibn Taymiyyah d 728 1328 and Ibn al Qayyim d 751 1350 this study traces the way in which these towering scholars critiqued the dominant theological jurisprudential tradition of their day which was influenced by dialectical theology Against the dialectical theologians Ibn Taymiyyah and Ibn al Qayyim argued that an authentically fideist consistent and rational theory of Islamic law could only emerge from an acceptance of the reality of God s voluntary attributes **The Prosperity Bible** Napoleon Hill, 2012-01-05 For the first time in paperback here is the all in one bible on how to fire up the creative powers of your mind to attain a life of prosperity The Prosperity Bible is a one of a kind resource that collects the greatest moneymaking secrets from authors across every field religion finance philosophy and self help and makes them available in a single handy volume Now reprinted with an affordable paperback price this is the only volume in which you can explore success advice from Napoleon Hill P T Barnum Benjamin Franklin Charles Fillmore Wallace D Wattles Florence Scovel Shinn and Ernest Holmes along with a bevy of legendary writers and success coaches who have one aim explaining and promulgating the laws of winning
