*Journey to the Edge of Space* ChuQ Dennis, 2015-01-03 It was in last quarter of the 21st Century and more than half of the world are now living in Space what was then referred to as the New World People are able to travel to and back from the New World just like we fly to different parts of the world today A teenage boy Jabari was keeping a personal diary about a fictitious planet he called Internearth He believed that this planet is at the Edge of Space This was only a figment of his imagination until he met Lisa a rich woman from the New World Lisa whose husband and daughter disappeared while on voyage in the outer space stumbled upon Jabari's blog online Since all efforts in finding her family has been futile she lowered her fate to the invention of teenage boy's imagination Lisa believe that Jabari's article could be a revelation of another corner of the universe that is yet to be discovered She's prepared to convince Jabari to embark on a space expedition in search of his fictitious planet comparing him to Ferdinand Magellan and Christopher Columbus Lisa was willing to support the supposed expedition with the full weight of her finances for she is a wealthy woman Will Jabari a teenage boy oblige to her enticement to discover the next big that is actually in his imagination Is it possible that the universe have a cliff an edge beyond which spaceships will fall off

**Reflections in Silence** Prasanna Swaroopa, 2025-02-01 In the spiritual pursuit of Vedanta enquiry into one's true nature is the fundamental approach on the journey to peace contentment and freedom Here the process of introspection and reflection strengthens conviction in true knowledge of the individual and the world dispels doubts and prepares the seeker for the journey ahead This book is a collection of notes made by the author in his spiritual quest capturing moments of reflection at different stages These notes some in the form of verse document his investigation into doubts questions challenges and confusions that arose along the way as well as their eventual resolution The author examines a variety of ideas concepts and practices he encountered not to dismiss them but to understand their essence and uncover the Truth These notes reflect an honest and heartfelt effort to explore and resolve the questions that shaped his spiritual quest

*Journey's Edge* Kent Freeland, 2007-03 Journey's Edge is a humanistic story partly true and partly fictionalized of generations of a family named Whitney From the seventeenth century into the twentieth century offspring of John Whitney make their way from Massachusetts to Iowa Colonial life in New England sets the stage for the opening of the book As John Whitney begins life in the Boston area he has to find a house to live in and establish his business as a tailor His children don't all feel compelled to remain in eastern Massachusetts Some move further from the coast only to find the dangers that reside in the frontier Later Whitney generations select occupations such as clergyman leather tanner silversmith and farmer Finally the westward journey of the family leads to Iowa where the Whitneys buy land and settle

**Threshold Concepts on the Edge** Julie A. Timmermans, Ray Land, 2019-12-30 Since the first literature about the Threshold Concepts Framework was published in 2003 a considerable body of educational research into this topic has grown internationally across a wide range of disciplines and professional fields Successful negotiation of a threshold concept can be

seen as crossing boundaries into new conceptual space or as a portal opening up new and previously inaccessible ways of thinking about something In this unfamiliar conceptual terrain fresh insights and perceptions come into view and access is gained to new discourses This frequently entails encounters with troublesome knowledge knowledge which provokes a liminal phase of transition in which new understandings must be integrated and importantly prior conceptions relinquished There is often double trouble in that letting go of a prevailing familiar view frequently involves a discomfiting change in the subjectivity of the learner We become what we know It is a space in which the learner might become stuck Threshold Concepts on the Edge the fifth volume in a series on this subject discusses the new directions of this research Its six sections address issues that arise in relation to theoretical development liminal space ontological transformations curriculum interdisciplinarity and aspects of writing across learning thresholds [NASA Space Program](#) United States.
