Here is the list of your possible essay topics and identifications. **Please be specific with your answers and support your statements with evidence.**

Possible essay topics:

1. Spain under Philip II (1556-1598) was the most powerful state in Europe. Yet, by the middle of the seventeenth century this power seemed to be diminishing. What happened? What were the causes of this downfall of Spain (political, social, economic)? What were its consequences for Spain and Europe.
2. Why did the Thirty Years' War (1618-1648) break out in the Holy Roman Empire, who got involved in it and why, what were its major stages, and what was its significance for Germany and Europe?
3. Write history of England from the time of Henry VIII (1509-1547) to the Glorious Revolution (1688). How did England change politically, religiously and socially during this time period? Make sure to identify major actors of this change as well as their contributions. Why did so many Enlightened thinkers in continental Europe envy the post-1688 political model of England?
4. France under Louis XIV was considered the best example of an absolute monarchy. Define "absolute monarchy." Summarize the character and political methods of Louis XIV. What specific measures in administrative, economic, military, cultural, and religious policy did he promote? What was the significance of the political model Louis XIV created for France and for Europe?
5. Survey the development of astronomy during the Scientific Revolution. Compare the theories of Greek astronomers and medieval scholars with those of Copernicus and his followers. How did the revolution in astronomy affect lives of Europeans? What was its significance?
6. How would you define the Enlightenment of the XVIII century? What were the chief concerns of its most prominent representatives, and what connection did their approach to social problems have with the Scientific Revolution? How did the enlightened thought impact lives of the Europeans and their contemporaries in the New World?
7. Did Napoleon destroy the ideas of the French Revolution, or did he continue and spread them? Give reasons for your opinion, citing specific examples from Napoleon's domestic and foreign policies as well as his policies towards conquered/defeated powers. How did Napoleon's activities relate to the French revolutionary ideas? How did they impact other peoples of Europe?
6. How would you define the Enlightenment of the XVIII century? What were the chief concerns of its most prominent representatives, and what connection did their
