Molière

First Performed
1666

Original Language
French

THEMES

Exploiting the Comedic Value of Hypocrisy

Alceste, the proclaimed misanthrope, does his best to point out the flaws of aristocrats—including himself. His courtship of Célimène reveals the hypocrisies of French society, with its false flattery and reluctance to speak the truth openly.

Hypocrisy & Society

Hypocrisy helps people get ahead but doesn't spare them from others' harsh words.

Love & Delusion

People believe what they want to believe about love to reassure themselves.

Power & Justice

Society's rules determine who gains power—but justice doesn't always follow.

Author

MOLIÈRE

1622–73

Molière was a French playwright, considered one of the most influential masters of comedy. Raised near wealthy society, his keen observational skill allowed him to satirize the hypocrisy of the aristocratic culture around him. Molière's critiques offended the church, however, and some of his works were banned.

Main Characters

Célimène

Flirtatious gossip courted by many suitors; socially prominent widow

Philinte

Kind, practical friend of Alceste's; seeks social harmony and peace of mind

Alceste

Critical misanthrope with a passion for sincerity; in love with Célimène

Éliante

Célimène's sensible, sincere cousin; Philinte's love interest

Solitude

In his solitude Alceste separates himself from society's bounds.

Letters

A letter writer's words symbolize action and craftiness.

Gossip

Mean-spirited words embody society's hypocrisy.

***I**t's flatterers like you whose foolish praise Nourishes all the vices of these days.*

Alceste, Act 5, Scene V
