students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as  
soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or  
the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast  
literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology  
This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive  
approachable and informative It will help those training for ministry to recover their fascination for the subject of theology  
and how it could apply to their future ministry **Instructional Materials** University of Illinois at Urbana-Champaign.
