Garfield Tome God Save Garfield:

Straw Men Rodney Osborne, 2011-04-05 STRAW MEN is an historical novel that's set in motion when on July 2 1881 Charles Julius Guiteau shoots President James Garfield in a Washington DC train station. It quickly became apparent that Guiteau was a lunatic; he loudly proclaimed that he had acted entirely on his own, having been instructed by God to remove the President in order to save the country. But was Garfield's assassination truly the work of a deranged lone gunman? The Byzantine political alliances that America's Gilded Age had inherited from the trauma of Civil War, together with the tangled and very public personal relationships of the country's most powerful leaders at the time, pointed toward the clear possibility of a larger, darker political plot. Had Guiteau wittingly or not merely been the sharp end of a well-disguised political conspiracy leading to a coup d'état? The nation's doubts had to be put to rest, so the Secret Service formed during the Civil War to combat an epidemic of counterfeiting was called upon to mount a national investigation designed to sort out the whole truth behind Guiteau's attack. The shocking story that's gradually uncovered in the course of this investigation reveals that all the players, great and small, in this densely complicated historical drama were being set up and used for one hidden purpose or another. From Log-cabin to White House: the Story of President Garfield's Life William Makepeace Thayer, 1883

Wilsonian Visions James McAllister, 2021-11-15 In *Wilsonian Visions* James McAllister recovers the history of the most influential forum of American liberal internationalism in the immediate aftermath of the First World War. The Williamstown Institute of Politics, established in 1921 by Harry A. Garfield, the president of Williams College, the Institute was dedicated to promoting an informed perspective on world politics even as the United States still gathered itself after World War I retreated from the Wilsonian vision of active involvement in European political affairs. Located on the Williams campus in the Berkshire Mountains of Western Massachusetts, the Institute's annual summer session of lectures and roundtables attracted scholars, diplomats, and peace activists from around the world. Newspapers and press services reported the proceedings and controversies of the Institute to an American public divided over fundamental questions about US involvement in the world. In an era where the institutions of liberal internationalism were just taking shape, Garfield's institutional model was rapidly emulated by colleges and universities across the US. McAllister narrates the career of the Institute, tracing its roots back to the tragedy of the First World War and Garfield's disappointment in America's failure to join the League of Nations. He also shows the Progressive Era origins of the Institute and the importance of the political and intellectual relationship formed between Garfield and Wilson at Princeton University in the early 1900s. Drawing on new and previously unexamined archival materials, *Wilsonian Visions* restores the Institute to its rightful status in the intellectual history of US foreign relations and shows it to be a formative institution as the country transitioned from domestic isolation to global engagement. **Wise Child** Simon Gray, What business have Mrs. Artminster and her son Jerry in the Home Counties that necessitates a long stay in a small town hotel in the off-season? The explanation they give the proprietor is obviously contrived, but he has his reasons.

for allowing them to stay In Simon Gray s first play for the stage which opened at Wyndham s Theatre in October 1967 the truth is complex and its revelation electrifying **Hammerstone 1149 A.D.** Mark Parks,2020-07-29 England once again staggers toward open warfare as Prince Henry grows ever stronger King Stephen looks to local loyal Earls but the Earl of Malton a staunch supporter of the crown has disappeared Badly wounded Robert found refuge with the nuns of St Hilds but when Maken sent soldiers to guard him they found only his bloody rags in the bed Maken de Courtelaine without the natural protection of her husband s powerful connections military fame is exposed to the avarice and hatred of Norman ruling class A rich Earldom a large treasury and an absent Earl soon brings enemies from every quarter to plunder Hammerstone Castle Even the King thinks of great wealth within its strong walls Assassination and Political Violence, Vol. 8 United States President of the United States,1969 **Destiny of the Republic** Candice Millard,2011 A narrative account of the twentieth president s political career offers insight into his background as a scholar and Civil War hero his battles against the corrupt establishment and Alexander Graham Bell s failed attempt to save him from an assassin s bullet Killing the President Willard M. Oliver,Nancy E. Marion,2010-08-05 This book offers an analysis of every American presidential assassination and various attempted assassinations examining the events surrounding each event and the people involved The assassinations and attempted assassinations of American presidents were pivotal events that reverberated throughout the nation even in cases where the murder was botched The individuals behind each plot are often fascinating studies in obsession and distorted perception of reality like President James Garfield s assassin who spent an extra dollar on the gun he chose for the act simply because it would look better in a museum display after the event For the first time under one cover this text offers a concise study of every presidential assassination attempt and rumor Each chapter focuses on a single American assassination providing an analysis of the president the assassin and the events that shaped their arrival at that place in time The chapter then describes the assassination or attempt itself and the long term impacts of the crime Accounts of the more contemporary incidents involving Presidents John F Kennedy Richard Nixon Jimmy Carter Ronald Reagan George H W Bush Bill Clinton and George W Bush especially demonstrate the evolution of the monumental task of protecting the U S president in a free and open society **From log-cabin to White house: the story of president Garfield's life** William M. Thayer,1881 ,
