Throughout this richly braided first person narrative East brings Dogtown's enigmatic past to life. Losses sustained during the American Revolution dealt this once thriving community its final blow. Destitute war widows and former slaves took up shelter in its decaying homes until 1839 when the last inhabitant was taken to the poorhouse. He died seven days later. Dogtown has remained abandoned ever since but continues to occupy many people's imaginations. In addition to Marsden Hartley it inspired a Bible thumping millionaire who carved the region's rocks with words to live by, the innovative and influential postmodernist poet Charles Olson who based much of his epic *Maximus Poems* on Dogtown, an idiosyncratic octogenarian who vigilantly patrols the land to this day, and a murderer who claimed that the spirit of the woods called out to him. In luminous insightful prose Dogtown takes the reader into an unforgettable place brimming with tragedy, eccentricity, and fascinating lore, and examines the idea that some places can inspire both good and evil poetry and murder.
