Doing Violence, Making Race Mattias Smångs, 2017-03-27 The subject of lynching has spawned a vast body of important research but this research suffers from important blind spots and disjunctures By broadening the scope of research problem formulation staking out new theoretical analytical tracks and drawing upon recent innovations in statistical methodology to analyze newer and more detailed data *Doing Violence Making Race* offers an innovative contribution to our understanding of this grim subject matter and its place within the broader history and sociology of US race relations Indeed this volume demonstrates how different forms of lynching fed off and into the formation of the racial group boundaries and identities at the foundation of the Jim Crow system The book also demonstrates that as dominant white racial ideologies and conceptions

took an extremist turn lethal mob violence against African Americans increasingly assumed the form of public lynchings serving to transform symbolic representations of blacks into social stigma and exclusion Finally Sm ngs also explores how public lynchings were expressive as well as generative of the collective white racial identity mobilized through the southern branch of the Democratic Party whilst private lynchings were related to whites interracial status and social identity concerns on the interpersonal level The most complete and complex scholarly treatment of this grim subject to date this enlightening volume will be of interest to undergraduate and graduate students interested in areas such as Sociology Political Science History Criminology Criminal Justice Anthropology American Studies African American and Whiteness Studies **Writing**

the Character-Centered Screenplay, Updated and Expanded edition Andrew Horton,2000-02-23 We need good screenwriters who understand character Everywhere Andrew Horton traveled in researching this book from Hollywood to Hungary he heard the same refrain Yet most of the standard how to books on screenwriting follow the film industry s earlier lead in focusing almost exclusively on plot and formulaic structures With this book Horton a film scholar and successful screenwriter provides the definitive work on the character based screenplay Exceptionally wide ranging covering American international mainstream and off Hollywood films as well as television the book offers creative strategies and essential practical information Horton begins by placing screenwriting in the context of the storytelling tradition arguing through literary and cultural analysis that all great stories revolve around a strong central character He then suggests specific techniques and concepts to help any writer whether new or experienced build more vivid characters and screenplays Centering his discussion around four film examples including Thelma Louise and The Silence of the Lambs and the television series Northern Exposure he takes the reader step by step through the screenwriting process starting with the development of multi dimensional characters and continuing through to rewrite Finally he includes a wealth of information about contests fellowships and film festivals Espousing a new character based approach to screenwriting this engaging insightful work will prove an essential guide to all of those involved in the writing and development of film scripts The Challenge of

experiences and health outcomes Opposing the idea that interracial relationships are bad for society and an individual's health Miller argues that interracial romance has health benefits for some is generally good for society and that what is truly detrimental is the unnecessary stress people in interracial relationships feel due to their experiences with stigma racism and discrimination Miller concludes that as the prevalence of interracial romance grows so does the urgency to address these issues to protect the well being of the Bridge Kids and others in interracial romantic partnerships Interracial Intimacy Rachel F. Moran, 2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage Interracial Marriage in Hawaii, 1983-1994 Xuanning Fu, Tim B. Heaton, 1997 Book about patterns of mate selection in a multicultural and multiethnic community in Hawaii based on analysis of marriages registered in the State of Hawaii between 1983 and 1994 The book also raises questions about how to accurately measure ethnicity when continued intermarriage permeates racial boundaries
