A Kingdom of Flesh and Fire Jennifer L. Armentrout, 2020-09-01 From 1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series Is Love Stronger Than Vengeance A Betrayal Everything Poppy has ever believed in is a lie including the man she was falling in love with Thrust among those who see her as a symbol of a monstrous kingdom she barely knows who she is without the veil of the Maiden But what she does know is that nothing is as dangerous to her as him The Dark One The Prince of Atlantia He wants her to fight him and that s one order she s more than happy to obey He may have taken her but he will never have her A Choice Casteel Da Neer is known by many names and many faces His lies are as seductive as his touch His truths as sensual as his bite Poppy knows better than to trust him He needs her alive healthy and whole to achieve his goals But he s the only way for her to get what she wants to find her brother Ian and see for herself if he has become a soulless Ascended Working with Casteel instead of against him presents its own risks He still tempts her with every breath offering up all she s ever wanted Casteel has plans for her Ones that could expose her to unimaginable pleasure and unfathomable pain Plans that will force her to look beyond everything she thought she knew about herself about him Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for And she s far too reckless too hungry to resist the temptation A Secret But unrest has grown in Atlantia as they await the return of their Prince Whispers of war have become stronger and Poppy is at the very heart of it all The King wants to use her to send a message The Descenters want her dead The wolveren are growing more unpredictable And as her abilities to feel pain and emotion begin to grow and strengthen the Atlantians start to fear her Dark secrets are at play ones steeped in the blood drenched sins of two kingdoms that would do anything to keep the truth hidden But when the earth begins to shake and the skies start to bleed it may already be too late

A Fire in the Flesh: A Flesh and Fire Novel Jennifer L. Armentrout, 2023-10-31 From 1 New York Times bestselling author Jennifer L. Armentrout comes book three in her beloved Flesh and Fire series The only thing that can save the realms now is the one thing more powerful than the Fates After a startling betrayal ends with both Sera and the dangerously seductive ruler of the Shadowlands she has fallen madly in love with being held captive by the false King of the Gods there is only one thing that can free Nyktos and prevent the forces of the Shadowlands from invading Dalos and igniting a War of Primals Convincing Kolis won t be easy though not even with a lifetime of training While his most favored Revenant is insistent that she is nothing more than a lie Kolis s erratic nature and twisted sense of honor leave her shaken to the core and nothing could ve prepared her for the cruelty of his Court or the shocking truths revealed The revelations not only upend what she has understood about her duty and the very creation of the realms but also draw into question exactly what the true threat is However surviving Kolis is only one part of the battle The Ascension is upon her and Sera is out of time But Nyktos will do anything to keep Sera alive and give her the life she deserves He ll even risk the utter destruction of the realms and that s exactly what will happen if he doesn t Ascend as the

Primal of Life Yet despite his desperate determination their destinies may be out of their hands But there is that foreseen unexpected thread the unpredictable unknown and unwritten The only thing more powerful than the Fates **Light Her Fire** Samanthe Beck,2014-10-20 Good girl Melody Merritt is ready to be bad Fresh out of an unsatisfying ten year engagement to the town golden boy she s determined to make up for lost time And who better to burn her sterling reputation to the ground than Bluelick s sinfully sexy new fire chief whose wicked gaze promises complete and utter domination Yes please Corrupting the prim and proper Little Miss Bluelick is the most action Josh Bradley s seen since he transferred from Cincinnati to fast track his career He won t let anything or anyone not even the delectable Melody Merritt trap him in this Kentucky fried Mayberry but when their searing chemistry yields an unexpected result he realizes he s started a blaze that s completely beyond his control Each book in the Private Pleasures series is STANDALONE Private Practice Light Her Fire Falling for the Enemy Wet and Reckless Undercover Engagement *In the Fire of the Furnace* Marcel Berger,1916 **A Light in the Flame: A Flesh and Fire Novel** Jennifer L. Armentrout,2022-11-15 From 1 New York Times bestselling author Jennifer L Armentrout comes book two in her Flesh and Fire series The only one who can save Sera now is the one she spent her life planning to kill The truth about Sera s plan is out shattering the fragile trust forged between her and Nyktos Surrounded by those distrustful of her all Sera has is her duty She will do anything to end Kolis the false King of Gods and his tyrannical rule of Iliseeum thus stopping the threat he poses to the mortal realm Nyktos has a plan though and as they work together the last thing they need is the undeniable scorching passion that continues to ignite between them Sera cannot afford to fall for the tortured Primal not when a life no longer bound to a destiny she never wanted is more attainable than ever But memories of their shared pleasure and unrivaled desire are a siren s call impossible to resist And as Sera begins to realize that she wants to be more than a Consort in name only the danger surrounding them intensifies The attacks on the Shadowlands are increasing and when Kolis summons them to Court a whole new risk becomes apparent The Primal power of Life is growing inside her pushing her closer to the end of her Culling And without Nyktos s love an emotion he s incapable of feeling she won t survive her Ascension That is if she even makes it to her Ascension and Kolis doesn t get to her first Because time is running out For both her and the realms *Born of Blood and Ash: A Flesh and Fire Novel* Jennifer L. Armentrout,2024-08-13 From 1 New York Times bestselling author Jennifer L Armentrout comes the thrilling conclusion to her beloved Flesh and Fire series The line between love and obsession has never been wider While Sera is finally free of Kolis and back with those she loves not everything is calm Memories of all she s endured still haunt her but Sera finally has hope for a future with the other half of her heart and soul Nyktos desires loves and accepts every part of her even the monstrous bits she still battles More than ever Sera and Ash have everything under the realms to fight for and Nyktos has no doubt Sera is fit to be the Queen of the Gods But she must find that faith within herself if they hope to convince the other Courts to support them against Kolis and make Iliseeum and the mortal realm better safer places for all But as Sera begins to piece

together the importance of her bloodline and the true meaning behind the foreboding prophecy it becomes clear that everything that has happened and is yet to come is much bigger than Kolis and his dark obsessions They cannot help but wonder exactly how much influence the Fates have had and what their ultimate goal is What Sera does know for sure is that they can trust very few including her A battle between the gods is brewing and heartbreaking losses are imminent with the true Primal of Death strengthening With a family of the heart willing to battle by their side can Sera and Nyktos stop Kolis before he destroys the realms or will it all disappear in a fiery inferno of blood and ash And the line between justice and vengeance has never been so thin The Ordeal by Fire Marcel Berger,1916 **A Fire Bell in the Past** Jeffrey L.
