Cara Segal is a born worrier She figures her worrying works like a whisper in God's ear if Cara's concerned about car crashes kidnappings or murders she lets God know and he always spares her But Cara never thought to worry about a fire And one night while she's sleeping at a friend's house her house catches fire and her mother and younger sister are both killed Throughout shiva the initial Jewish mourning period Cara can't help wondering about God's role in the tragedy And what is her father's role in her life now He walks around like a ghost and refuses to talk about the fire Cara longs for her family and her home where sweet smells filled the house as Cara's mom filled orders for her catering business Julia's Kitchen Then one day a call comes in for a cookie order and Cara gets a wild idea Maybe by bringing back Julia's Kitchen she can find a way to reconnect with everything she's lost Complete with a glossary of Hebrew and Yiddish terms and a recipe for chocolate chip cookies this debut novel is a joyous tribute to the resiliency of the human spirit Julia's Kitchen is a 2007 Bank Street Best Children's Book of the Year      **From Julia Child's Kitchen** Julia Child, 1999 One of the first and most important and most successful cookbooks by America's beloved Julia Child Using a very accessible approach to French cooking from an American point of view here are recipes and techniques for the beginner as well as the more advanced cook using easily available ingredients for everything from soups and appetizers to dessert Black and white line art and photographs throughout      *Mountebanks* Frank Birch, 1925      **Julia's Chocolates** Cathy Lamb, 2007-05-01 I left my wedding dress hanging in a tree somewhere in North Dakota I don't know why that particular tree appealed to me Perhaps it was because it looked as if it had given up and died years ago and was still standing because it didn't know what else to do In her deliciously funny heartfelt and moving debut Cathy Lamb introduces some of the most wonderfully eccentric women since *The Divine Secrets of the Ya Ya Sisterhood* and *The Secret Life of Bees* as she explores the many ways we find the road home From the moment Julia Bennett leaves her abusive Boston fianc at the altar and her ugly wedding dress hanging from a tree in South Dakota she knows she's driving away from the old Julia but what she's driving toward is as messy and undefined as her own wounded soul The old Julia dug her way out of a tortured trailer park childhood with a monster of a mother The new Julia will be found at her Aunt Lydia's rambling hundred year old farmhouse outside Golden Oregon There among uppity chickens and toilet bowl planters Julia is welcomed by an eccentric warm and often wise clan of women including a psychic a minister's unhappy wife an abused mother of four and Aunt Lydia herself a woman who is as fierce and independent as they come Meeting once a week for drinks and the baring of souls it becomes clear that every woman holds secrets that keep her from happiness But what will it take for them to brave becoming their true selves For Julia it's chocolate All her life baking has

been her therapy and her refuge a way to heal wounds and make friends Nobody anywhere makes chocolates as good as Julia's and now chocolate just might change her life and bring her love when she least expects it But it can't keep her safe As Julia gradually opens her heart to new life new friendships and a new man the past is catching up to her And this time she will not be able to run but will have to face it head on Filled with warmth love and truth Julia's Chocolates is an unforgettable novel of hope and healing that explores the hurts we keep deep in our hearts the love that liberates us the courage that defines us and the chocolate that just might take us there Advance praise for Cathy Lamb and Julia's Chocolates Julia's Chocolates is wise tender and very funny In Julia Bennett Cathy Lamb has created a deeply wonderful character brave and true I loved this beguiling novel about love friendship and the enchantment of really good chocolate Luanne Rice New York Times bestselling author

**Detoxing Masculinity in Anglophone Literature and Culture** Sara Martín, M. Isabel Santaulària, 2023-03-07 This edited volume rethinks Masculinity Studies by breaking away from the notion of the perpetual crisis of masculinity It argues that not enough has been done to distinguish patriarchy from masculinity and proposes to detox masculinity by offering a collection of positive representations of men in fictional and non-fictional texts The editors show how ideas of hegemonic and toxic masculinity have been too fixed on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical personal and socially accepted patterns Bringing together research from different periods and genres this collection provides broad multidisciplinary insights into alternative representations of masculinity
