Les Institutions Politiques De La France:

Les institutions politiques et administratives de la France François d'Arcy, Françoise Dreyfus, 1997-01-01T00:00:00+01:00
La première originalité de ce nouveau manuel est de présenter de manière unifiée institutions politiques et institutions administratives. La comparaison traditionnellement opérée tient moins des raisons scientifiques qu'aux aléas des programmes universitaires. Elle ne permet plus de rendre compte de la complexité et du fonctionnement réel des institutions publiques. Les auteurs se sont attachés à comprendre les dynamiques institutionnelles qui traversent cet ensemble composite. La règle de droit n'est jamais noncée pour elle-même mais en tant qu'elle s'intègre dans une évolution qui permet de le comprendre. Dans cette perspective, une place importante est faite à l'analyse des acteurs sociaux : citoyens, partis politiques et groupes fonctionnaires. On trouvera également un tableau des juridictions complètement indispensable à la connaissance de nos institutions. La cinquième édition présente un ouvrage entièrement remanié et mis à jour. Elle tient compte de l'emprise croissante de l'Union européenne sur les institutions nationales et des nouvelles perspectives ouvertes dans le champ politique par les alternances récentes. Les transformations en profondeur que connaît notre appareil administratif depuis le début de la décennie amènent par ailleurs une présentation totalement nouvelle.
