

The background of the cover features several pieces of Lyman reloading equipment. On the left, there is a long-reach tool, possibly a necking die or a similar sizing tool, with a long handle and a die head. In the center, there is a smaller, more compact tool, possibly a bullet puller or a similar device. On the right, there is a larger, more complex machine, possibly a progressive reloading press, with various components and a hopper for powder or bullets. The equipment is shown in a dark, industrial setting, highlighting the precision and quality of the tools.
