Cross-Border Higher Education and Quality Assurance Maria João Rosa,Cláudia S. Sarrico,Orlanda Tavares,Alberto Amaral,2016-07-26 This book analyses the range of potential measures national quality assurance agencies may have to employ to deal with the new issues caused by Cross Border Higher Education CBHE The expansion of CBHE raises quality problems which are currently assessed differently depending on the countries concerned This has been exacerbated by the growth of Massive Open Online Courses MOOCs which have developed very quickly and can be prone to rogue providers This book considers the steps that have already been taken to ensure quality as well as those ahead It is important that the swift growth of CBHE is not just seen as a means to increase the revenues of higher education institutions faced with decreasing public funding but also as a means to keep educational standards high **Confronting Climate Change in Bangladesh** Saleemul Huq,Jeffrey Chow,Adrian Fenton,Clare Stott,Julia Taub,Helena Wright,2019-02-07 Due to its vulnerability to a wide variety of climate change impacts

Bangladesh has become a laboratory for adaptation and resilience strategies in the developing world. The knowledge shared by experienced practitioners who have a deep understanding of the complex context of this country is an invaluable resource. The International Centre for Climate Change and Development has brought together a host of experts across multiple disciplines to provide a detailed look at Bangladesh's ongoing struggle to prepare for the inevitable threats that climate change poses. This volume presents public policy oriented strategies across numerous sectors including agriculture, freshwater management, forests, finance, human rights, health systems, flood control, infrastructure, solar energy, and more. Successes and shortcomings both provide useful lessons for other countries grappling with similar climate threats. This book offers the latest research findings for a wider audience. Showcasing the wealth of experience with adaptation and resilience in Bangladesh. Drawing from expert practitioners across the numerous sectors affected by climate change. Highlighting key lessons for other Least Developed Countries.

Health and economic impacts of transport interventions in Accra, Ghana, 2021-01-27. The World Health Organization (WHO) recognizes the significant impact of transport systems on health and provides normative guidance and technical support to Member States to promote healthy transport. As a contribution to this response, the WHO Urban Health Initiative has rolled out activities in Accra, Ghana, to support urban leaders to make best use of health evidence and competencies to assess the environmental health and economic benefits of actions to improve urban environments with a focus on air pollution. The report, *Health and economic impacts of transport interventions in Accra, Ghana*, aimed at professionals and practitioners interested in transport and health, comprehensively assesses transport scenarios for the Greater Accra Metropolitan Area (GAMA) informed by the local policy landscape. Mitigation scenarios comparing the effects of different interventions on land use, transport mode, energy efficiency, and demand showed that investing in walking, cycling, and clean public transport can substantially improve urban air quality and climate emissions as well as promote physical activity, contributing to significant health and economic gains, reducing the mortality risk across the population of GAMA. Developed with the active contribution of many sectors and stakeholders, this report is also a milestone for the Urban Health Initiative, showcasing what can be achieved through multisectoral collaboration to improve the knowledge base and create the demand for action towards healthier, sustainable transport.

Platforms in EU VAT Law Christina Pollak, 2022-10-18. Applying the provisions of the European Union Value Added Tax (EU VAT) Directive poses challenges when applied to the digital platform economy. Recent responses to these challenges revolve around the deemed supplier regime introduced by the so-called e-commerce package, and this regime is thus the focus of this indispensable work. The first to provide an in-depth analysis of the regime, its background, and scope, its interpretation, and its application in practice. In its detailed examination of how digital platforms that enable supplies of goods through their interfaces are treated for VAT purposes under EU law, the author elucidates such topics and issues as the following: The qualification of the sale of goods through platforms; supply of the platform service to the underlying supplier; supply of the platform service to the customer.

supply of goods from the underlying supplier to the customer supplies from third countries the Organisation for Economic Co operation and Development OECD proposal s influence on the interpretation of the EU e commerce package chain transactions determination of the place of supply chargeable event and chargeability of VAT taxable amount applicable rates and exemptions platform s recordkeeping obligations accompanying customs measures return of goods and warranty cases and future of effective and efficient VAT collection The author also undertakes a detailed analysis of a potential infringement of the principle of equality neutrality and the right to conduct a business Fully taking into consideration the case law of the CJEU administrative practice and the relevant academic literature the author s research reveals the weaknesses opportunities and limits for Member States implementation of EU VAT law The upshot is an important work that promises to make the EU VAT system more fraud resistant simplify compliance obligations enforce the principle of neutrality and reduce distortion of competition The book will be of immeasurable value to any practitioner and policymaker approaching any case involving the deemed supplier regime for digital platforms with full awareness of the applicable rules

The Different Faces of Politics in the Visual and Performative Arts Mario Thomas Vassallo, Andre P. Debattista, 2023-12-22 This book highlights the linkages between politics and governance and the arts The essays in the volume show how visual and performative arts have challenged those in power or conversely patronised by them been used for propaganda to stir up national fervour and found themselves at the receiving end of political censure They focus on the tension and symbiosis between the politician and the artist foregrounding how they have always tried to influence challenge and in some cases undermine one another This volume will serve as an indispensable source for researchers and academics in political science the humanities and performing arts
