The Common Core Grammar Toolkit Sean Ruday, 2013-08-16 The Common Core's language standards can seem overwhelming. Students need to learn specific complex grammar rules at each grade level. The Common Core Grammar Toolkit to the rescue! This comprehensive guide makes grammar instruction fun and meaningful. You will learn how to teach the Common Core's language standards for grades 3-5 by presenting each grammar rule as a useful writing tool. Use mentor texts excerpts from great literature to help students understand grammar in action. Promote metacognition along the way so that students become responsible for their own learning. Throughout the book, you'll find step-by-step recommendations for teaching each of the grammar tools plus classroom snapshots that show you the tools in action and handy templates that you can use in the classroom. Bonus! The book includes a free annotated bibliography which is offered as a Supplemental Download on our website. The bibliography lists high-quality young adult literature and gives examples of key grammatical concepts found in each work. It also provides the Common Core Language Standard associated with those concepts.

Striking a Balance Nancy L. Cecil, Albert Lozano, Mae Chaplin, 2020-05-04 Now in its sixth edition, *Striking a Balance* clearly illustrates how to create a comprehensive early literacy program that places direct skills instruction within the context of rich and varied reading and writing experiences. Text discussions, dynamic activities, and valuable appendices provide a variety of effective instructional resources selected based on research and teacher testimonials. The sixth edition incorporates recent updates to national and state standards as well as expanded sections on working with English language learners and students with special needs while maintaining the book's essential features: classroom vignettes, discussion questions, field-based activities, a student website, and study guide. An essential resource for early literacy instructors, this textbook's practical approach fundamentally demonstrates how children develop authentic literacy skills through a combination of direct strategy instruction and motivating contexts.

Educating English Learners Joyce W. Nutta, Carine Strebel, Kouider Mokhtari, Florin M. Mihai, Edwidge Crevecoeur Bryant, 2020-07-29 In *Educating English Learners*, Joyce W. Nutta and her colleagues offer practical tools for helping schools and teachers successfully integrate English learners into mainstream classrooms. Drawing on the One Plus model presented in their award-winning book *Preparing Every Teacher to Reach English Learners*, the authors now turn their attention to the needs of K-12 teachers who typically have two or three English learners in their classrooms. English learners are not a homogenous group, and the challenges they face vary tremendously. Nutta and her colleagues present protocols and case studies to help pre-service and in-service teachers understand the needs of English learners in their classrooms and differentiate instruction and assessment accordingly. Woven throughout the book are the stories of Gero Edith Tasir and Edgar, four case study students of different ages, backgrounds, and levels of English proficiency. The authors show how the protocols they provide can be applied to adapt sample lessons for students like these across a range of grade levels, subject areas, and pedagogical approaches. Finally, the authors show how the system can be applied
