

Starting to Navigate

Basic navigation with your eTrex Legend requires only three steps: mark, move, and return. Mark your location as a waypoint, move a distance away, and then return after choosing one of several methods to help you find your way.

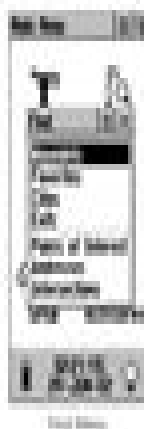

To mark a waypoint

1. Press in and hold the **TRIMM STICK** for two seconds to display the Mark Waypoint Page. Your current location is marked as a waypoint and automatically assigned a three-digit number.
2. The **OK** button is highlighted so press the **TRIMM STICK** to exit the

To return to a waypoint using Goto

1. Press the **FIND** button to display the Find Menu.
2. Use the **TRIMM STICK** to highlight 'Waypoints' and then press it in.
3. Use the **TRIMM STICK** to highlight 'Waypoint' and then press it in.
4. Use the **TRIMM STICK** to highlight the waypoint and then press it in to display the Information Page.
5. With the on-screen 'Goto' button highlighted, press the **TRIMM STICK** to activate the Goto navigation feature.

To move about with the Map Page

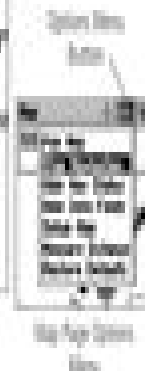

1. Use the **PAGE** button to access the Map Page and view the new waypoint.
- Press the **ZOOM IN** button to get a more detailed view of the map.
2. Roll or slide around for a few minutes, make a right or left turn, then continue for a few more minutes and then stop.
- The 'position trail' shows your location and the dotted line shows your path of travel (or back).

Returning to a Waypoint with a Goto

To finish your return

1. The Navigation Page displays the 'Bearing Pointer' indicating the direction to go. Because you can't always travel in a straight line, refer to the Bearing Pointer from time to time. As you move and whenever possible, turn in the direction the Bearing Pointer shows.
 2. Use the **PAGE** button to move to the Map Page to see your location marked by the Position icon and a straight dark line leading to the waypoint.
- Move back and forth between the Map Page and the Navigation page to check your progress and verify your bearing.
3. To stop navigating, highlight the Options Menu button on either page, press the **TRIMM STICK**, select 'Stop Navigation', and then press the **TRIMM STICK**.

QUICK START GUIDE

Garmin Etrex Manual

Robert R. Redfield

Garmin Etrex Manual:

Getting the books **Garmin Etrex Manual** now is not type of challenging means. You could not lonely going gone ebook accretion or library or borrowing from your friends to gain access to them.
