Bibliography of Research Studies in Education ,1932      Psychological Assessment in South Africa Sumaya Laher,Kate  
Cockcroft,2013-01-01 This book provides an overview of the research related to psychological assessment across South  
Africa The thirty six chapters provide a combination of psychometric theory and practical assessment applications in order to  
combine the currently disparate research that has been conducted locally in this field Existing South African texts on  
psychological assessment are predominantly academic textbooks that explain psychometric theory and provide brief  
descriptions of a few testing instruments Psychological Assessment in South Africa provides in depth coverage of a range of  
areas within the broad field of psychological assessment including research conducted with various psychological  
instruments The chapters critically interrogate the current Eurocentric and Western cultural hegemonic practices that  
dominate the field of psychological assessment The book therefore has the potential to function both as an academic text for  
graduate students as well as a specialist resource for professionals including psychologists psychometrists remedial teachers  
and human resource practitioners      **The Elementary School Teacher's Uses of Educational Tests** Thomas George
