

- "since" : conjunction : shows the passage of time. Time had passed since the first time he got the message but it was still close to his heart.

Times since have said,

- Time : personification : time had said this to him.
- There were numerous occasions that he had received the message that life wasn't going to be easy. Time had given him this wisdom and the poet was thankful for that.
- "have said" : repetition : confirms the enduring message that life has always echoed to all men.

In that mysterious voice you shed

- "you" : referring to the world
- "mysterious voice" : characterises the world and adds to the sense of spiritual reflection
- He connects this voice to divinity / a higher power - conflating the world with God.

From clouds and hills around:

- "sky, clouds, leaze, hills" : references to the elements of nature that suggests a higher power /divinity perhaps.
- "You shed from clouds and hills around" : shows how life itself is reflected in nature which speaks to the man every day, reminding him of his mortality.
- ":" : column : suggests what the world tells him. The world was going to talk to him now. The entire poem is in the form of a conversation/dialog.

Many have heard the message

- The poet is telling the world that it must have brought this message to many people.

Many will never know

- Many have tried to understand the message.
- "never know" : doesn't understand the message completely.
- "Many" : repetition : emphasis.

While some have chosen to heed it

- There are a few people who have chosen to heed the message. It is a contradiction of the "many" because they have not heard it yet. They have heard it but not heeded it. Contradiction.

Whispered through the wind

- It was said.
- "Whispered through the wind" : repetition of "said".
- "Whispered" : doesn't mean people were talking, whispering about something. It just means that the message was in their hearts.

They will never know

- The world is telling the world that it must have brought this message to many people.
