Misingi ya uchanganuzi wa fasihi K. W. Wamitila, 2008 The foundations of literary criticism Nadharia za uhakiki wa fasihi Richard M. Wafula, Kimani Njogu, 2007 Theory of literary criticism **Nadharia katika taaluma ya kiswahili na lugha za kiafrika**, 2008 On theoretical considerations in the learning of Swahili and other African languages *Journal of the Institute of Swahili Research*, 2019 Kamusi ya fasihi K. W. Wamitila, 2003 A dictionary of literature terms and concepts *Kamusi ya fasihi* Mwenda Mbatiah, 2001 A dictionary of composition writing **Isimu jamii** Mbatha Mathooko, 2007 Social linguistics foundations and composition diversity Gender and Feminist Theory in Law and Society Madhavi Sunder, 2017-11-30 This volume chronicles a quarter century of feminist theorizations on equality and liberty The essays demonstrate a continuing commitment to feminist method a democratic notion that all people have a right to participate in the production of knowledge of the world including legal knowledge and manifest feminism s continuing critical tradition namely theorists willingness to see multiple factors including feminism itself as obstructing enlightened constructions of the world Taken together the essays suggest that liberty to make the world is not just a means to an end equality but is a substantive end in itself At the center Vasilikie (Vicky) Demos, Marcia Texler Segal, 2015-08-24 This volume reflects on how the study of gender has changed and how studying gender has affected our research methods and our knowledge of the world around us The interdisciplinary nature of gender studies and the cross pollination of theoretical perspectives are illustrated as is the globalization of gender theory research and policies Framing Intersectionality Helma Lutz, Maria Teresa Herrera Vivar, Linda Supik, 2016-04-15 Originally conceived by Kimberl Crenshaw in 1989 as a tool for the analysis of the ways in which different forms of social inequality oppression and discrimination interact and overlap in multidimensional ways the concept of intersectionality has attracted much attention in international feminist debates over the last decade Framing Intersectionality brings together proponents and critics of the concept to discuss the state of the art with those that have been influential in the debates that surround it Engaging with the historical roots of intersectionality in the US based race class gender debate this book also considers the European adoption of this concept in different national contexts to explore issues such as migration identity media coverage of sexual violence against men and transnational livelihoods of high and low skilled migrants Thematically arranged around the themes of the transatlantic migration of intersectionality the development of intersectionality as a theory men s studies and masculinities and the body and embodiment this book draws on empirical case studies as well as theoretical deliberations to investigate the capacity and the sustainability of the concept and shed light on the current state of intersectionality research Presenting the latest work from a team of leading feminist scholars from the US and Europe Framing Intersectionality will be of interest to all those with interests in gender women s studies masculinity inequalities and feminist thought *Engendering Rationalities* Nancy Tuana, Sandra Morgen, 2001-09-27 Engendering Rationalities brings together theorists whose work has been foundational to

the development of feminist investigations of reason objectivity and knowledge with the work of scholars who build up and extend their insights Contributors not only question standard conceptions of truth objectivity and our realist conceptions of the relationships between human knowledge and the world but also offer rich and exciting alternatives to traditional theories that both arise out of and are compatible with feminist concerns The book provides more adequate models of rationality that include the epistemic significance of a variety of subjective factors such as our specific cultural and social locations including sex race ethnicity class etc and our personal commitments desires and interests *Theory on Gender* Paula

England,1993-01-01 How do various social theories explain gender inequality Are these theories infused with masculinist biases that need to be redressed with insights from feminist theory To address these questions this collection of original essays features prominent sociologists discussing the strengths and the limitations of the theoretical traditions within which they have worked Among the theoretical perspectives included are those of Marxism world system theory macrostructural theories rational choice theory neofunctionalism psychoanalysis ethno methodology expectation states theory poststructuralist symbolic interactionism and network theory Each of the chapter length essays of the first two sections provides an overview of the theory explains its implications for gender inequality reviews empirical research and comments upon sexist biases or other limitations of the perspective The final section contains chapters on feminist debates over methodology critical commentaries on the preceding papers by four feminist scholars and replies by the original authors

Theoretical Perspectives on Sexual Difference Deborah L. Rhode,1990-01-01 Essays cover historical sociological psychological and anthropological approaches ethics and politics and the policy implications of the real and perceived differences between the sexes *Feminist Theory and Practice* Mukesh Kumar Singh,2014 **Engendering Psychology**

Florence Denmark,Vita Carulli Rabinowitz,Jeri A. Sechzer,2000 Offers insight on engendering psychology the authors explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation They discuss questions emphasizing critical thinking skills while encouraging students to open a dialogue with both their professors and their peers **Gender Theories and Dialectics** Yetunde Akorede,2012 Gender Studies Franziska Bergmann,Franziska

Schößler,Bettina Schreck,2012 **Gender: Key Concepts in Philosophy** Tina Chanter,2006-11-30 Gender Key Concepts in Philosophy provides clear and comprehensive exposition and analysis of the main philosophical theories ideas and arguments that inform and are raised by questions of gender and sexuality It explores both early feminist arguments which stress sameness between sexes in the interests of equality and later theories which emphasise difference It raises the question of how successfully feminist theory has negotiated the relationship between gender race and class The text looks at how Marxist and psychoanalytic theory help to articulate feminist theory and also at how they might inhibit it It also explores the ways in which the approaches of Foucault and Derrida have been taken up by feminist philosophy to reformulate questions of power and ideology Finally it addresses contemporary questions of sexuality transgender and technology and

various political issues faced by women such as rape abortion and pornography Philosophy undergraduates will find this an invaluable aid to study one that goes beyond simple definitions and summaries to really open up fascinating and important ideas and arguments *Research Anthology on Feminist Studies and Gender Perceptions* Information Resources Management Association,2022 This book is a collection of contributed chapters that explores the application of feminist theory and women empowerment in the 21st century and the role that gender plays in society **The Political Interests of Gender** Kathleen B Jones,Anna G Jonasdottir,1988 The Political Interests of Gender starts from the premise that contemporary political theory is inadequate when approached from the perspective of gender The book indicts contemporary political analysis for its silence about or ignorance of women s interests and challenges the hypothesis that the central concepts of political thought and its basic techniques are value neutral The contributors go on to consider what political theory and political communities would look like if women s interestes were addressed The aim is to reconstruct the methodology of political analysis to conceptualize political reality in terms of gender The book presents a powerful argument that to conside
