John Simon on Film John Ivan Simon, 2005-06 Applause Books I find John's critical writing immensely entertaining even when I'm not in agreement He has the gift such a rare one of being able to analyze the work in question to be able to say why it is that it's so powerful so touching or on the other hand so trite so meretricious or so banal I find his reviews full of insights and perceptions that make reading a collection of this sort as exciting as reading a gripping novel John's wit is dazzling and is never displayed for its own sake but to drive home an aspect of the review It was exciting for me to read through this collection and see such warm praise for so many films that I feel have been unjustly ignored Bruce Beresford *Liberty*
